## 2024 Form M8X Instructions

---

Before you can complete Form M8X, you will need the M8 instructions for the year you are amending.

### Who Should File M8X?

This form must be filed by S corporations to correct—or amend—an original Minnesota Form M8, *S Corporation Return*. If you are amending a return from a tax year other than the year listed at the top of this form, use the Form M8X for that year.

**Federal Return Adjustments.** If the Internal Revenue Service (IRS) changes or audits your federal return or you amend your federal return, you have 180 days to file an amended Minnesota return. If you are filing Form M8X based on an IRS adjustment, check the box in the heading and attach to your Form M8X a complete copy of your amended federal return or the correction notice you received from the IRS.

If you fail to report as required, a 10 percent penalty will be assessed on any additional tax. See line 22 instructions.

**Claim for Refund.** Use Form M8X to make a claim for refund and report changes to your Minnesota liability. If you make a claim for a refund and we do not act on it within six months of the date filed, you may bring an action in the district court or the tax court.

### Pass-through Entity Tax and Nonresident Withholding

Overpayments of nonresident withholding are limited to the amount of the overpayment that was not deducted or withheld from the S corporation. Overpayment of the PTE tax are limited if the shareholder has claimed the pass-through entity tax credit on their return.

The S corporation should provide enough information so the shareholders may file an accurate amended income tax return. This may include amended federal schedules K-1 and KS showing the change. The shareholders must amend their income tax return reflecting these changes to calculate a change in tax due.

### When to File

File Form M8X only after you have filed your original return. You may file Form M8X within 3½ years after the return was due or within one year from the date of an order assessing tax, whichever is later. If you filed your original return under an extension by the extended due date, you have up to 3½ years from the extended due date to file the amended return.

### Filing Reminders

**The amended return must be signed** by a principal officer of the corporation.

**If you pay someone to prepare your return**, the preparer must sign and enter his or her PTIN number and daytime phone.

**Round amounts to the nearest dollar.** Decrease any amount less than 50 cents and increase any amount that is 50 cents or more to the next higher dollar.

### Completing the Form

Enter the beginning and ending dates for the tax year you are amending at the top of the form. Enclose, on a separate sheet of paper, a detailed explanation of net changes and any computations with your return. Providing this information will help us verify the amended amounts. **Do not staple or tape any enclosures to your return.**

Estimated payments and refunds credited to subsequent years cannot be amended or changed after the original return is filed.

Form AWC, *Alternative Withholding Certificate*, can only be filed with the original return. Any Forms AWC received after the filing of the original return will be denied.

**Apportionment Factors.** Minnesota uses the single sales apportionment factor.

### Use of Information

All information provided on this form is private, except for your Minnesota tax ID number, which is public. Private information cannot be given to others except as provided by state law.

The identity and income information of the shareholders are required under state law so the department can determine the shareholder's correct Minnesota taxable income and verify if the shareholder has filed a return and paid the tax. The Social Security number of the shareholders are required to be reported on Schedule KS under M.S. 289A.12, subd. 13.

### Lines 1–16

#### Columns A, B and C

**Column A:** Enter the amounts shown on your original return or as later adjusted by an amended return or audit report.

**Column B:** Enter the dollar amount of each change as an increase or decrease for each line you are changing. Show all decreases in parentheses.

# 2024 Form M8X Instructions (Continued)

If the changes you are making affect the amounts on a schedule, you must complete and enclose a corrected schedule.

If you do not enter an amount when there is a change, the processing of your amended return will be delayed. You must also explain each change in detail in a statement and enclose any related schedules or forms.

If you are not making a change for a given line, leave column B blank.

**Column C:** Enter the corrected amounts after the increases or decreases. If there are no changes, enter the amount from column A.

## Line 3

The Pass-through Entity (PTE) tax election may be made on a return filed on or before the extended due date of your original return. Complete and enclose an updated Schedule PTE if the reason you are amending caused a change in the PTE tax calculation.

Do not reduce the PTE tax by any amount that was deducted and withheld from the shareholder's shares.

## Line 17

Enter the total of the following tax amounts, whether or not paid:

- amount from line 20 of your original M8
- any additional tax due from a previously filed M8X
- additional tax due as the result of an audit or notice of change

*Do not* include any amounts that were paid for penalty, interest or underpayment of estimated tax.

## Line 19

Enter the total of the following refund amounts:

- from line 25 of your original M8, even if you have not yet received it
- any refund amount from a previously filed form M8X
- refund or reduction in tax from a protest or other type of audit adjustment

Include any amount that was credited to estimated tax, applied to pay past due taxes or donated to the Minnesota Nongame Wildlife Fund.

Do not include any interest that may have been included in the refunds you received.

## Lines 21 and 26

Lines 21 and 26 should reflect the changes to your tax and/or credits as reported on lines 1 through 18 of Form M8X. If you have unpaid taxes on your original Form M8, Form M8X is not intended to show your corrected balance due.

## Line 21

If line 20 is a negative amount, treat it as a positive amount and add it to line 14C. Enter the result on line 21. This is the amount you owe, which is due when you file your amended return. You *cannot* use any funds in your estimated tax account to pay this amount. Continue with line 22.

## Line 22

If only one of the penalties below applies, you must multiply line 21 by 10 percent (.10). If both penalties apply, multiply line 21 by 20 percent (.20). Enter the result on line 22.

- The IRS assessed a **penalty for negligence or disregard of rules or regulations;** and/or
- You **failed to report federal changes to the department within 180 days as required.**

## Line 24

Interest is calculated as simple interest and accrues on unpaid tax and penalties from the regular due date until it is paid in full. Use the formula below with the appropriate interest rate:

$$\text{Interest} = \text{line 21} \times \text{number of days past the due date} \times \text{interest rate} \div 365$$

If the days fall in more than one calendar year, you must determine the number of days separately for each year.

The interest rates for recent years are:

2025	X%	2010-16	3%	2002	7%
2024	8%	2009	5%	2001	9%
2023	5%	2007-08	8%	1999-2000	8%
2021-22	3%	2006	6%	1998	9%
2019-20	5%	2004-05	4%		
2017-18	4%	2003	5%		

Penalty will be assessed if the additional tax and interest are not paid with the amended return.

**Pay by Check.** Go to [www.revenue.state.mn.us](http://www.revenue.state.mn.us) and select **Make a Payment**. Select **Check**. Use the **Payment Voucher System** to create a voucher.

Your check authorizes us to make a one-time electronic fund transfer from your account. **You will not receive your canceled check.**

## Line 26

If you want your refund to be directly deposited into your bank account, complete line 27. Your bank statement will indicate when your refund was deposited to your account. Otherwise, skip line 27 and your refund will be sent to you in the mail.

This refund *cannot* be applied to your estimated tax account.

## Line 27

If you want your refund to be directly deposited into your checking or savings account, enter the routing and account numbers. You must use an account not associated with any foreign banks.

The **routing number** must have nine digits.

The **account number** may contain up to 17 digits (both numbers and letters). Enter the number and leave out any hyphens, spaces and symbols.

If the routing or account number is incorrect or is not accepted by your financial institution, your refund will be sent to you in the form of a paper check.

By completing line 27, you are authorizing the department and your financial institution to initiate electronic credit entries, and if necessary, debit entries and adjustments for any credits made in error.

## Signature

The return must be signed by the principal officer of the organization receiving, controlling or managing the income of the S corporation. The person must also include his or her ID number.

If someone other than the principal officer prepared the return, the preparer must also sign. The preparer's PTIN and phone number should also be included.

Check the box to authorize the department to discuss this return with the preparer. This authority allows us to discuss with your preparer these items from this return: line item details; tax due on original and adjustments made during processing; penalty or interest due; documents received or sent like a tax order or bill; and dates and amounts of payments, credits, or refunds. The authority also allows your preparer to cancel direct deposit or debit payments and submit an abatement request.

The authority granted by a marked return checkbox is valid for one year after the due date for current original returns, or one year from the date the form was submitted for amended and noncurrent original returns.

Checking the box does not give your preparer the authority to sign any tax documents on your behalf, represent you at any audit or appeals conference, or discuss abatement progress. For these types of authorities, you must file Form REV184b, Business Power of Attorney, with the department.

## Email Address

If the department has questions regarding your return and you want to receive correspondence electronically, indicate the email address below your signature. Check a box to indicate if the email address belongs to an employee of the S corporation, the paid preparer or other contact person.

By providing an email address, you are authorizing the department to correspond with you or the designated person over the Internet and you understand that the entity's nonpublic tax data may be transmitted over the Internet.

You also accept the risk that the data may be accessed by someone other than the intended recipient. The department is not liable for any damages that the entity may incur as a result of an interception.
