Instructions for 2024 Form M2X

For additional information, see the 2024 Form M2 instructions

Who Should File M2X?

This form should be filed by fiduciaries to correct—or amend—an original 2024 Form M2.

Federal return adjustments. If the Internal Revenue Service (IRS) changes or audits your federal return or you amend your federal return and it affects your Minnesota return or distributions to beneficiaries, you must file an amended Minnesota return within 180 days. If you are filing Form M2X based on an IRS adjustment, check the box at the top of the form and attach a copy of your amended federal return or correction notice you received from the IRS to Form M2X.

If the changes do not affect your Minnesota return or Schedules K-1, you have 180 days to send a letter of explanation and a copy of your amended federal return or the correction notice to: Minnesota Fiduciary Tax, Mail Station 5140, 600 N. Robert St., St. Paul, MN 55146-5140. If you fail to report as required, a 10% penalty will be assessed on any additional tax. See line 38 instructions.

Claim for refund. Use Form M2X to make a claim for refund and report changes to your Minnesota liability. If you make a claim for a refund and we do not act on it within six months of the date filed, you may bring an action in the district court or the tax court.

When to File

File Form M2X only after you have filed your original return. You may file Form M2X within 3½ years after the return was due or within one year from the date of an order assessing tax, whichever is later. If you filed your original return under an extension by the extended due date, you have up to 3½ years from the extended due date to file the amended return.

Filing Reminders

- **The amended return must be signed** by the fiduciary or authorized officer of the organization receiving, controlling or managing the income of the estate or trust. The person must also include his or her ID number.
- **If someone other than the fiduciary prepared the return**, the preparer must also sign.
- **Round amounts to the nearest dollar.** Drop amounts less than 50 cents and increase amounts 50 cents or more to the next higher dollar.
- **Forms and information** are available on our website at www.revenue.state.mn.us.

If you need help completing your amended return, call 651-556-3075. We'll provide information in other formats upon request.

Explanation

On page 3 of Form M2X, include a detailed explanation of why the original return was incorrect. Providing this information will help us verify the amended amounts.

Use of Information

All information provided on this form is private, except for your Minnesota tax ID number, which is public. Private information cannot be given to others except as provided by state law.

The identity and income information of the beneficiaries are required under state law so the department can determine the beneficiaries' correct Minnesota taxable income and verify if the beneficiaries have filed returns and paid the tax. The Social Security numbers of the beneficiaries are required to be reported on Schedule KF under M.S. 289A.12, subd. 13.

Line Instructions

Columns A, B, C

- **Column A:** Enter the amounts shown on your original return or as later adjusted by an amended return or audit report.
- **Column B:** Enter the dollar amount of each change as an increase or decrease for each line you are changing. Show all decreases in parentheses. Explain the changes in detail within the Explanation of Change on page 3 of Form M2X. If the changes involve items requiring supporting information, attach to Form M2X the appropriate schedule, statement or form to verify the corrected amount.
- **Column C:** Enter the corrected amounts after the increases or decreases. If there are no changes, enter the amount from column A.

Line 2

Use Schedule M2NM, *Non-Minnesota Source Income and Related Expenses*, to determine the amount to include on line 2.

Line 7

Use Schedule M2NM to determine the amount to include on line 7.

Line 33

Enter the total of the following tax amounts, whether or not paid.

1. For the original 2024 M2 return, the amount from line 34.
2. For all previously filed 2024 M2X Returns, the amount from line 33.
3. Additional tax due as the result of an audit or notice of change.

Do not include any amounts that were paid for penalty, interest or underpayment of estimated tax.

Line 35

Enter the total of the following refund amounts, whether or not the refund has been received.

1. For the original 2024 M2 return, the amount from line 39.
2. For all previously filed 2024 M2X Returns, the amount from line 35.
3. Refund or reduction in tax from a protest or other type of audit adjustment.

Continued

2024 Form M2X instructions (continued)

Include any amount that was credited to estimated tax or applied to pay past due taxes. Do not include any interest that may have been included in the refunds you received.

If the refund amount on your original return was reduced by an additional charge for underpaying estimated tax reported on line 37 of the 2024 M2, then when figuring the amount to enter on the 2024 M2X line 35, add the amount from this line to the amount reported on line 39 of the 2024 M2.

Lines 37 and 42

Lines 37 and 42 should reflect the changes to your tax and/or credits as reported on lines 1 through 32 of Form M2X. If you have unpaid taxes on your original Form M2, this amended return is not intended to show your corrected balance due.

Line 37

If line 36 is a negative amount, treat it as a positive amount and add it to line 26C. Enter the result on line 37. This is the amount you owe, and is due when you file your amended return. You *cannot* use your estimated tax account to pay this amount.

Line 38

If only one of the penalties below applies, you must multiply line 37 by 10% (.10). If both penalties apply, multiply line 37 by 20% (.20). Enter the result on line 38.

- The IRS assessed a penalty for negligence or disregard of rules or regulations.
- You failed to report federal changes to the department within 180 days as required.

Line 40

Interest is calculated as simple interest and accrues on unpaid tax and penalties from the regular due date until it is paid in full. Use the formula below with the appropriate interest rate: $\text{Interest} = \text{line 37} \times \text{number of days past the due date} \times \text{interest rate} \div 365$

If the days fall in more than one calendar year, you must determine the number of days separately for each year.

The interest rate for 2025 is X%.

Penalty will be assessed if the additional tax and interest are not paid with the amended return.

Line 41

Pay Electronically. Visit our website at www.revenue.state.mn.us and log in to e-Services. When paying electronically, you must use an account not associated with any foreign banks.

Pay by Check. Visit our website at www.revenue.state.mn.us and click on **Make a Payment** and then **Check or Money Order** to create a voucher. Print and mail the voucher with a check made payable to Minnesota Department of Revenue. When you pay by check, you authorize us to make a one-time electronic fund transfer from your account. You may not receive your cancelled check.

Line 42

If you want your refund to be directly deposited into your bank account, complete line 43. Your bank statement will indicate when your refund was deposited to your account. Otherwise, skip line 43 and your refund will be sent to you in the mail.

This refund cannot be applied to your estimated tax account.

Line 43

If you want your refund to be directly deposited into your checking or savings account, enter the routing and account numbers. The **routing number** must have nine digits. The **account number** may contain up to 17 digits (both numbers and letters). If your account number contains less than 17 digits, enter the number and leave out any hyphens, spaces and symbols. If the routing or account number is incorrect or is not accepted by your financial institution, your refund will be sent to you in the form of a paper check.

Lines 44-74

If you enter a corrected amount in Column C of lines 44-74, you may be required to notify beneficiaries of any adjustments to their income. Report the corrected information on a new Schedule KF, and check the "Amended KF" box toward the top of the schedule.

Signature

The return must be signed by the fiduciary or authorized officer of the organization receiving, controlling or managing the income of the estate or trust. The person must also include his or her ID number.

If someone other than the fiduciary prepared the return, the preparer must also sign and include their ID and phone number.

Check the box to authorize the department to discuss this return with the preparer. This authority allows us to discuss with your preparer these items from this return: line item details; tax due on original and adjustments made during processing; penalty or interest due; documents received or sent like a tax order or bill; and dates and amounts of payments, credits, or refunds. The authority also allows your preparer to cancel direct deposit or debit payments and submit an abatement request.

The authority granted by a marked return checkbox is valid for one year after the due date for current original returns, or one year from the date the form was submitted for amended and noncurrent original returns.

Checking the box does not give your preparer the authority to sign any tax documents on your behalf, represent you at any audit or appeals conference, or discuss abatement progress. For these types of authorities, file Form REV184b, *Business Power of Attorney*, with the department.
