EXPLANATION OF THE BILL

The proposal would create a property tax exemption for property that:

- (1) was classified as class 2b for taxes payable in 2025;
- (2) is located in a county with a population greater than 5,580 but less than 5,620 (according to the 2020 federal census);
- (3) is located in an unorganized territory with a population less than 800 (according to the 2020 federal census); and
- (4) was on January 2, 2023, and is for the current assessment, owned by a federally recognized Indian Tribe located within the state of Minnesota.

REVENUE ANALYSIS DETAIL

- Property in Cook County owned by the Grand Portage Band of Chippewa would be eligible for the proposed exemption.
- Beginning with taxes payable in 2027, the eligible parcels would no longer receive the School Building Bond Credit, resulting in a savings to the state general fund of less than \$5,000 in FY 2028.
- Beginning with taxes payable in 2027, the exemption would shift property taxes away from the eligible parcels and onto all other properties, including homesteads, increasing state-paid homeowner property tax refunds by less than \$5,000 in FY 2028.
- Tax year impact is allocated to the following fiscal year.
