Form CI Instructions

All licensed lawful gambling organizations, regardless of whether or not they have physical inventory, are required to conduct an annual certified physical inventory at the end of their fiscal year. Organizations must complete the inventory and submit the following forms within 30 days of their fiscal year end.

Required Forms

To complete the inventory, organizations must submit the following forms together:

- Form CI, *Annual Certified Physical Inventory Summary* (this form)
- Form INV, *Annual Certified Physical Inventory by Site*
- Form LG903, *Physical Inventory Control/Bingo Paper Monthly Summary* (if the organization conducts non-linked bingo)

Note: We will not accept other forms such as software inventory forms in place of Forms CI, INV, and LG903. If you do not complete and submit these required forms, the annual certified physical inventory is incomplete.

Complete Form CI

Use Form CI to list all sites after the physical inventories are completed.

The chief executive officer (CEO) and the gambling manager must complete Form CI.

Sites

Enter the site name and permit number from each Form INV.

Attachments

Check the boxes to indicate that you attached copies of Form INV and Gambling Control Board Form LG903 if you conducted paper bingo. Organizations use Form LG903 to record the bingo paper physical inventory at the end of the month.

Note: In order for the annual certified physical inventory to be complete, you must include Form INV for each site and Form LG903 for each site that conducted paper bingo.

Signatures

The CEO and the gambling manager must sign Form CI.
