Need Forms?

Go to www.revenue.state.mn.us.

This information is available in alternate formats.

Before You File

Complete Your Federal Return

Before you complete Form M8, complete federal Form 1120S and supporting schedules. You will need to reference them.

Minnesota Tax ID Number

Your Minnesota tax ID is the seven-digit number you're assigned when you register with the department. Generally, this is the same as your sales and use tax or Minnesota employer's withholding tax number. It's important to include your Minnesota tax ID on your return so that any payments you make are properly credited to your account.

If you don't have a Minnesota tax ID, apply for one online at www.revenue.state.mn.us and type **Business Registration** in the search box or call 651-282-5225 or 1-800-657-3605.

What's New for 2023

Federal Conformity

Minnesota law was updated to generally adopt the Internal Revenue Code (IRC) as amended through May 1, 2023. The 2023 Minnesota income tax forms incorporate federal law through this IRC date.

Delayed Business Interest Deduction Subtraction

The new delayed business interest deduction allows a subtraction for 1/5th of the amount of the nonconformity adjustment additions required as a result of the CARES Act Section 2306. For more details, see page 14.

Housing Tax Credit

The new Housing Tax Credit is a nonrefundable credit for qualifying contributions to a state fund. To be eligible for the credit, you must apply to the Minnesota Housing Finance Agency (MHFA) and receive a credit certificate. For more details, visit the MHFA website at www.mnhousing.gov.

Short Line Railroad Infrastructure Modernization Credit

The new Short Line Railroad Infrastructure Modernization Tax Credit is a nonrefundable credit for railroad reconstruction or replacement expenditures of a Class II or Class III railroad. For more details, see Schedule RAIL.

Credit for Sales of Manufactured Home Parks to Cooperatives

The new Credit for Sales of Manufactured Home Parks to Cooperatives is a nonrefundable credit for 5% of the amount of the sale. For more details, see Schedule MHP.

Global Intangible Low-Taxed Income (GILTI)

Minnesota generally conforms to the federal treatment of GILTI (but not the federal section 250 deduction) and repeals the related Minnesota income tax subtraction modifications. GILTI is treated as dividend income for the purposes of the corporate dividends received deduction and the sales factor.

Pass-Through Entity (PTE) Tax

The PTE tax was changed in the following ways:

- Expands eligibility by allowing partial elections if not all owners are qualifying owners.
- Requires 100% allocation to Minnesota for resident partners.
- Removes the requirement that one qualifying owner must be subject to the limitation on state and local taxes (SALT Cap).
- Clarifies eligibility for a single member limited liability company (LLC) if the LLC is taxed as a partnership or S corporation.
- Requires partnerships with federal audit adjustments to file an amended Schedule PTE.

For more details, see Schedule PTE and Schedule PTE-RP.

Nonresident Withholding and PTE Tax Refunds

Overpayments of nonresident withholding tax and PTE tax are limited to the amount of the overpayment that was not deducted or withheld from the shares of the partners or shareholders.

Filing Requirements

Corporations doing business in Minnesota that have elected to be taxed as S corporations under IRC section 1362 must file Form M8.

Who Must File

The entire share of an entity's income is taxed to the shareholder, whether or not it is actually distributed. Each shareholder must include their share of income on their tax return. However, the S corporation taxes and minimum fee are paid by the entity.

A C corporation is required to file Form M4, *Minnesota Corporation Franchise Tax*, instead of Form M8.

Continued

General Information (continued)

Minimum Fee

An S corporation is subject to a minimum fee if the sum of its Minnesota source property, payroll and sales or receipts is at least \$1,160,000. S corporations that file as QSSS federally include all factors under one parent company and are subject to only one minimum fee at the parent company level.

The minimum fee is computed on M8A, which is on page 3 of Form M8.

File Electronically

Options are available to electronically prepare and file your S corporation tax return. Electronic filing is a secure, fast and easy way to file. For more information, go to our website at www.revenue.state.mn.us.

Due Dates and Extensions

Your Minnesota return and payment are due the same date your federal return and payment are due.

If the due date falls on a weekend or legal holiday, returns and payments electronically made or postmarked on the next business day are considered timely.

Extension of Time to File

All S corporations are granted an automatic six-month extension to file Form M8, if the tax payable for the year is paid by the regular due date.

However, if the IRS grants an extension of time to file your federal return that is longer than the Minnesota automatic six-month extension, your state filing due date is extended to the federal due date.

This is a filing extension only. To avoid penalties, you must make an extension tax payment by the regular due date. (See *Extension Payment* below.)

Payments

There are four types of tax payments an S corporation can make — extension, estimated tax, tax return and amended return payments. You can pay electronically, by credit or debit card or by check. (See *Payment Options* below.)

Note: If you're currently paying electronically using the ACH credit method, continue to call your bank as usual. If you wish to make payments using the ACH credit method, instructions are available on our website at www.revenue.state.mn.us.

Extension Payment

Your tax is due by the regular due date, even if you are filing under an extension. Any tax not paid by the regular due date is subject to penalties and interest (see instructions for lines 21 and 22 on page 7).

If you're filing after the regular due date, you can avoid penalties and interest by making an extension payment by the regular due date. (See *Payment Options* above.) If you're paying by check, go to www.revenue.state.mn.us to create a voucher to print and submit with your check.

Estimated Tax Payments

An S corporation must make quarterly estimated tax payments if the sum of its estimated S corporation taxes, minimum fee, nonresident withholding, pass-through entity tax, and composite income tax for all nonresident shareholders electing to participate in composite income tax, less any credits, is \$500 or more. A S corporation is not required to pay estimated taxes the first year it is subject to tax in Minnesota.

Payment Options

If you're required to pay any Minnesota business tax electronically, you must pay all taxes electronically. A 5% penalty will be assessed if you fail to do so when required.

■ Pay Electronically

Go to www.revenue.state.mn.us and log in. To be timely, you must complete your transaction and receive a confirmation number on or before the due date for that payment. You can cancel a payment up to one business day before the scheduled date, if needed. When paying electronically, you cannot use a foreign bank.

If you're using the system for the first time and need a temporary password, call 651-282-5225 or 1-800-657-3605.

■ Pay by Credit or Debit Card

Go to www.revenue.state.mn.us, and select **Make a Payment**. Select **Credit or Debit Card**. Your payment will be processed by a third-party vendor. The vendor charges a fee for the service.

■ Pay by Check

Go to www.revenue.state.mn.us and select **Make a Payment**. Select **Check**. Use the **Payment Voucher System** to create a voucher. Your check authorizes us to make a one-time electronic fund transfer from your account. You will not receive your canceled check.

General Information (continued)

The required annual payment is the lesser of:

- 90% of the current year's tax liability
- 100% of the prior year's liability.

The required annual payment must be paid in four equal installments unless certain exceptions apply (see the instructions for Schedule EST, *Additional Charge for Underpayment of Estimated Tax*)

Payments are due by the 15th day of the fourth, sixth and ninth months of the tax year and the first month following the end of the tax year. If the due date lands on a weekend or legal holiday, payments electronically made or postmarked the next business day are considered timely.

Installments for a short tax year are due in equal payments on the 15th day of the third, sixth, ninth, and final months of the tax year depending on the number of months in the short tax year. No installments are required for a tax year of fewer than four months.

If estimated tax is required for the S corporation taxes, minimum fee, pass-through entity tax, composite income tax, and/or nonresident withholding, include all in the same quarterly payments.

To make an estimated payment, see *Payment Options* on page 2. If you're paying by check, visit our website to complete and print a payment voucher to send along with your check.

Tax Return Payment

If line 24 of Form M8 shows an amount due, you must make a tax return payment (see *Payment Options* on page 2). If you're not required to pay electronically, go to www.revenue.state.mn.us to create a voucher to print and submit with your check.

Penalties and Interest

Late Payment. A late payment penalty is assessed on any tax not paid by the regular due date. The penalty is 6% of the unpaid tax.

If you file your return after the regular due date with a balance due, and you do not pay that balance, an additional 5% penalty will be assessed on the unpaid tax.

Late Filing. There is also a penalty if you file after the extended due date and owe tax. The late filing penalty is 5% of any tax not paid by the regular due date.

Interest. You must also pay interest on the penalty and tax you are sending in late. The interest rate for 2024 is 8%.

Other Penalties. There are also civil and criminal penalties for intentionally failing to file a Minnesota return, evading tax and for filing a frivolous, false or fraudulent return.

Filing Reminders

Accounting Period

You must use the same accounting period for Minnesota as you use for your federal return. If you change your federal accounting period, attach a copy of federal Form 1128, *Application to Adopt, Change or Retain a Tax Year*, to your short-period Minnesota return.

Pass-Through Entity Tax

An S corporation may elect to file and pay income tax, on behalf of its shareholders, based on the entity's income at the entity level. See Schedule PTE, *Pass-through Entity Tax*, for information on the election.

If you are filing and paying PTE tax at the entity level, check the box for the PTE tax on the front of Form M8 and see the line 3 instructions on page 5.

Composite Income Tax

An S corporation, not making a PTE election, may pay composite Minnesota income tax on behalf of its eligible nonresident shareholders who elect to be included in lieu of each shareholder filing their own Minnesota return. The electing individuals must not have any Minnesota source income other than the income from this S corporation and other entities for which they are electing composite filing or are a part of a PTE tax return.

Shareholders who receive a share of gross profit or income from an installment sale reported on line 7a or 7b of Schedule KS are not eligible to elect the S Corporation to pay composite income tax on their behalf.

If you are paying composite income tax for your electing shareholders, check the box for composite income tax on the front of Form M8 and see the line 4 instructions on pages 5 and 6.

Nonresidents included in the composite income tax are not subject to the nonresident withholding requirements (see the next section).

Nonresident Withholding

S corporations are required to withhold Minnesota income tax for a nonresident shareholder if:

- The shareholder has a legal residence that is not Minnesota
- The shareholder is not included in composite income tax

General Information (continued)

- The S corporation is not electing to file and pay PTE tax
- The shareholder has Minnesota distributive income of \$1,000 or more from this S corporation
- The shareholder has income that was not generated by a transaction related to the termination or liquidation of the S corporation in which no cash or property was distributed in the current or prior taxable year

If the S corporation elected PTE tax, the S corporation is not required to withhold for a nonresident shareholder. The nonresident shareholder may still be required to file an income tax return if they meet the minimum filing requirement (\$13,825 for 2023) and the PTE tax does not satisfy their filing requirement.

If you are required to pay nonresident withholding, see the line 5 instructions on page 6.

Note: Nonresident individual shareholders include grantor trusts that file or can file under Treasury Regulation 1.671-4(b) and single-member LLCs when the single member is an individual.

Nonresident Entertainers: Compensation paid to a nonresident entertainment entity for performances in Minnesota is not subject to Minnesota income tax. Instead, the compensation is subject to a 2% withholding tax on the gross compensation the entertainment entity receives for performances in Minnesota.

An S corporation is an entertainment entity if it is paid compensation for entertainment provided by entertainers who are shareholders. An entertainer includes, for example, a musician, singer, dancer, comedian, thespian, athlete or public speaker. If you are defined by law as an entertainment entity, file Form ETR, *Nonresident Entertainer Tax Return*, by April 15 of the following year the income was reported. For additional information, see Withholding Fact Sheet 11, *Nonresident Entertainer Tax*.

If you are an entertainment entity that received compensation for performances in Minnesota and have no other type of Minnesota income, you are not required to file Form M8.

Use of Information

All information on this form is private, except for your Minnesota tax ID number, which is public. Private information cannot be given to others except as provided by state law.

The identity and income information of the shareholders are required under state law so the department can determine the shareholder's correct Minnesota taxable income and verify if the shareholder has filed a return and paid the tax. The Social Security numbers of the shareholders are required under M.S. 289A.12, subd. 13.

Assembling Paper Returns

Arrange your Minnesota schedules in the order they were completed and place them behind your Form M8. Schedules KS should be grouped together and sorted with the largest share of Minnesota source income first. Then place your federal return and its schedules behind the Minnesota material. **Do not staple or tape any enclosures to your return.**

Where to File Paper Returns

Mail your Form M8 and all completed Minnesota and federal forms and schedules using a mailing label (below).

If you do not use the label, mail your forms to:

Mail Station 1770
600 N. Robert Street
St. Paul, MN 55146-1770

Reporting Federal Changes

If the Internal Revenue Service (IRS) changes or audits your federal return or you amend your federal return, you must amend your Minnesota return. File your Form M8X, *Amended S Corporate Return*, within 180 days after you were notified by the IRS or after you filed your federal amended return. Enclose a copy of the IRS report or your amended federal return with your amended Minnesota return.

If you fail to report changes as required, a 10% penalty will be assessed on any additional tax.

Completing Form M8

Before you file Form M8, you must complete the following:

If, during the 12 months ending June 30 of the tax year, you paid \$10,000 or more in estimated tax payments, you are required to make all future estimate tax payments electronically beginning January 1 of the following tax year. Line 28—Direct Deposit of Refund

If you want your refund to be directly deposited into your checking or savings account, enter the routing and account numbers. You must use an account not associated with any foreign banks.

The **routing number** must have nine digits.

The **account number** may contain up to 17 digits (both numbers and letters). Enter the number and leave out any hyphens, spaces and symbols.

If the routing or account number is incorrect or is not accepted by your financial institution, your refund will be sent to you in the form of a paper check.

By completing line 28, you are authorizing the department and your financial institution to initiate electronic credit entries, and if necessary, debit entries and adjustments for any credits made in error.

Signature

The return must be signed by a principal officer of the corporation.

If you paid someone to prepare your return, the preparer must also sign and provide their Preparer Tax Identification Number (PTIN) and phone number.

Check the box to authorize the department to discuss this return with the preparer. This authority allows us to discuss with your preparer these items from this return: line item details; tax due on original and adjustments made during processing; penalty or interest due; documents received or sent like a tax order or bill; and dates and amounts of payments, credits, or refunds. The authority also allows your preparer to cancel direct deposit or debit payments and submit an abatement request.

The authority granted by a marked return checkbox is valid for one year after the due date for current original returns, or one year from the date the form was submitted for amended and noncurrent original returns.

Checking the box does not give your preparer the authority to sign any tax documents on your behalf, represent you at any audit or appeals conference, or discuss abatement progress. For these types of authorities, you must file Form REV184b, Business Power of Attorney, with the department.

Email Address

If the department has questions regarding your return and you want to receive correspondence electronically, indicate the email address below your signature. Check a box to indicate if the email address belongs to an employee of the S corporation, the paid preparer or other contact person.

By providing an email address, you are authorizing the department to correspond with you or the designated person over the Internet and you understand that the entity's nonpublic tax data may be transmitted over the Internet.

You also accept the risk that the data may be accessed by someone other than the intended recipient. The department is not liable for any damages that the entity may incur as a result of an interception.

Completing Form M8A

Complete M8A to determine your Minnesota source income and minimum fee.

Apportionment Factor

Minnesota is a 100% sales apportionment state.

The minimum fee still takes into account your Minnesota portion of property, payroll, and sales.

Petitioning to Use Another Method of Allocation

State law (M.S. 290.20, subd. 1a and Minnesota Rules 8020.0100, subp. 3) allows entities to request permission from the department to allocate all, or any part of, taxable net income in a manner other than the statutory single sales factor formula.

To request permission, complete Form ALT, *Petition to Use Alternative Method of Allocation* (see Revenue Notice 04-07).

Permission will be granted only if you can show that the single-sales factor formula does not properly and fairly reflect your Minnesota income, and that the alternative formula you have chosen does.

Qualified Subchapter S-Subsidiary

The S corporation parent must now calculate and report one minimum fee for all QSSSs. The S corporation parent must also include all assets, liabilities, income, deductions, credits, and apportionment factors including property, payroll, and sales factors, from all QSSSs and federally disregarded QSSS under one M8 return.

Property Factor

Enclose the completed federal Schedule L (Form 1120S) or a copy of the S corporation's balance sheet with your return.

The property factor consists of tangible property which includes land, buildings, machinery, equipment, inventories and other tangible personal property valued at original cost.

Original cost is your cost or original basis when you acquired the property. Depreciation and fair market value are not considered.

In column A, lines 1a-1c, enter the total property items for your entire business in Minnesota.

Line 1a. Add the beginning and ending year inventories, divide by two and enter the result on line 1a. This is your average value of inventory.

Determining Minnesota Sales

Real Property

Sales, rents, royalties and other income from real property are attributed to the state in which the property is located.

Completing Form M8A (continued)

Tangible Personal Property

Sales of tangible personal property are attributed to Minnesota if the property is received by a purchaser within Minnesota and the S corporation is taxed in this state, regardless of the f.o.b. point or other conditions of sale, or the ultimate destination of the property.

Tangible personal property delivered to a common or contract carrier or foreign vessel for delivery to a purchaser in another state or nation is a sale in that state or nation, regardless of f.o.b. point or other conditions of sale.

Property is received by a purchaser in Minnesota if the recipient is located in this state, even if the property is ordered from outside Minnesota.

Sales of tobacco products, beer, wine and other alcoholic beverages to someone licensed to resell the products only within the state of ultimate destination is a sale in the destination state.

Receipts from leasing or renting tangible personal property, including finance leases and true leases, are attributed to the state in which the property is located. Receipts from the lease or rental of moving property are attributed to Minnesota to the extent the moving property is used in Minnesota.

The extent of use is determined as follows:

- A motor vehicle is used wholly in the state in which it is registered.
- Receipts from rolling stock are assigned to Minnesota in the ratio of miles traveled in Minnesota to total miles traveled.
- Receipts from aircraft are assigned to Minnesota in the ratio of landings in Minnesota to total landings.
- Receipts from vessels, mobile equipment and other mobile property are assigned to Minnesota in the ratio of days the property is in Minnesota to the total days of the tax year.

Intangible Property

Sales of intangible property are attributed to the state in which the property is used by the purchaser.

Royalties, fees and similar income received for the use of or the privilege of using intangible property (such as patents, copyrights, trade names, franchises or similar items) are attributed to the state in which the property is used by the purchaser.

Intangible property is attributed to Minnesota if the purchaser uses the property, or rights in the property, to conduct business within this state, regardless of the location of the purchaser's customers.

If the property is used in more than one state, then the sales or royalties must be apportioned to Minnesota pro rata based on the portion of use within this state.

If you cannot determine the portion of use in Minnesota, then exclude the sales or royalties from both the numerator and denominator of the sales factor.

Personal Services

Receipts from the performance of personal services are attributed to the state in which the services are received.

Receipts from services provided to a corporation, partnership or trust may only be attributed to a state in which it has a fixed place of doing business.

If you can't determine where the service was received, or if it was received in a state where the corporation, partnership or trust doesn't have a fixed place of business, use the location of the office of the customer from which the service was ordered.

If you can't determine the ordering office, use the office location to which the service was billed.

Minimum Fee

M8A, lines 6-9

S corporations are subject to a minimum fee if the sum of its Minnesota source property, payroll and sales or receipts is at least \$1,160,000.

M8A, line 7—Adjustments

The minimum fee is determined by your total Minnesota property, payroll and sales.

In some cases the property and sales used for computing the minimum fee will be different than the amounts reported on lines 1-6. The following adjustments should be made to your Minnesota factors on line 7.

Add: All tangible property owned or rented that is not included on line 6 of M8A. Some examples include construction in progress, idle property, any nonbusiness property or rent expense. The amounts should be determined in the same manner as the amounts on lines 1-5.

Subtract:

- Any amounts included on lines 3, 4 or 5 that represent your share of the factors passed through from partnerships.
- Any sales or receipts from an air carrier business.
- If the tax year is a short tax year, subtract the amount of the average value of tangible property that is excluded because of prorating for a short tax year. The amount excluded for a short year is determined by multiplying M8A, column A, line 1 by the fraction:

- receipts from the performance of services if the services are received in Minnesota

- The S corporation did not elect PTE Tax

You must enclose with your Form M8 copies of the Schedules KS and attachments issued to your shareholders and copies of your federal Schedules K and K-1.

Nonresident Individual Shareholders Only

KS, line 48

When determining the shareholder's pro rata share of the S corporation's Minnesota source distributive income, you must make adjustments for any items you passed through to the shareholder on lines 1 through 31 of the shareholder's Schedule KS.

Follow the steps below to determine line 48:

1. Federal bonus depreciation amount from line 4 of the shareholder's Schedule KS
2. Multiply step 1 by 80% (0.80)
3. Enter the amount from line 5 of the shareholder's Schedule KS
4. Add step 2 and step 3
5. Multiply step 4 by apportionment factor from line 47 of Schedule KS
6. Combine lines 37-45 of the shareholder's Schedule KS
7. Add steps 5 and 6
8. To the extent allowed by law, enter one-fifth of the shareholder share of the section 179 expensing that was added back in a year the shareholder elected to be included in composite tax or nonresident withholding was required
9. To the extent allowed by law, enter one-fifth of the federal bonus depreciation that was added back in a year the shareholder elected to be included in composite income tax or nonresident withholding was required
10. Combine lines 15 and 17 of the shareholder's Schedule KS
11. Add steps 8, 9, and 10
12. Multiply step 11 by the apportionment factor from line 47 of the shareholder's Schedule KS
13. Enter amount from line 46 of shareholder's Schedule KS
14. Add Steps 12 and 13
15. Subtract step 14 from step 7

Enter the result from step 15 on line 48 of the shareholder's Schedule KS. This amount is the shareholder's adjusted Minnesota source distributive income.

KS, line 49—Composite Income Tax

Nonresident shareholders must pay tax if their Minnesota source gross income is more than the minimum filing requirement for the year (\$13,825 for 2023).

Nonresident shareholders who are included in a PTE tax election should not elect composite income tax.

Shareholders who receive a share of gross profit or income from an installment sale reported on line 7a or 7b of Schedule KS are not eligible to elect the S Corporation to pay composite income tax on their behalf.

Skip this line if the nonresident shareholder did not elect the S corporation to pay composite income tax on their behalf or if the S corporation elected PTE tax.

To determine the amount of composite income tax to pay on behalf of each electing shareholder, follow the steps below:

1. Multiply line 48 of Schedule KS by 9.85% (0.0985)
2. Add lines lines 21-23, 25-29, and 31 of Scheule KS
3. Subtract step 2 from step 1

The result in step 3 is the amount you are required to pay on behalf of the electing shareholder. Enter this amount on line 49 of the shareholder's Schedule KS and check the box to indicate the shareholder's election to be included.

If the shareholder elects to be included in composite income tax but has zero tax due, enter zero on line 49. Even though the amount may be zero, check the box to indicate the election.

Completing Schedule KS (continued)

Once you have completed all the Schedules KS for your electing nonresident shareholders, add the amounts on line 49 of all the schedules and enter the total on line 4 of Form M8. This is the amount of composite income tax you are required to pay on behalf of your electing shareholders.

KS, line 50—Nonresident Withholding

Nonresident individual shareholders who are not included in the composite income tax or PTE tax may be subject to withholding. See *Nonresident Withholding* on pages 3-4 to determine if your nonresident individual shareholders are subject to Minnesota withholding.

- To determine the amount of tax to withhold for each nonresident individual shareholder, follow the steps below:**
- 1. Multiply line 48 of Schedule KS by 9.85% (.0985)
 - 2. Add lines lines 21-23, 25-29, and 31 of Schedule KS
 - 3. Subtract step 2 from step 1

The result in step 3 is the amount you are required to withhold from the nonresident individual shareholder, unless the individual submits Form AWC, *Alternative Withholding Certificate*.

If the individual submits Form AWC, withhold the amount from line 6 of the certificate. Check the box provided on line 50 of the shareholder’s Schedule KS and also on line 5 of Form M8. Be sure to enclose a copy of the certificate when you file your return.

If the individual submits a false or fraudulent Form AWC, the department may require you to withhold the maximum percentage from that individual in the future, even if an exemption certificate is submitted.

Shareholders must include their Schedule KS when they file their Form M1 to claim the Minnesota withholding. If the schedule is not included, the department will disallow the withholding and assess the tax or reduce their refund.

Use a mailing label if filing a paper return

Use this mailing label on your own envelope to mail Form M8 and attachments. (Cut and tape to your envelope.)
