Form AWC Instructions

All partnerships and S corporations, not making a pass-through entity (PTE) tax election, must withhold Minnesota income tax for any nonresident individual partner or shareholder who:

- is not included in composite income tax
- has Minnesota distributive income of \$1,000 or more

You must withhold 9.85% of their Minnesota source distributive income, less any credits that are passed through to them.

However, we will allow you to withhold a smaller amount of tax if the partner or shareholder owes less Minnesota tax. This may happen if a partner or shareholder:

- has paid Minnesota estimated tax or had Minnesota withholding tax taken out of wage income; or
- has Minnesota taxable income less than the distributive income received from this entity, due to losses from other Minnesota sources.

Who should file Form AWC

Complete this form if you are a nonresident individual partner of a partnership or shareholder of an S corporation and you expect to receive Minnesota distributive income of \$1,000 or more from this partnership or S corporation and want less than 9.85% of your Minnesota source distributive income withheld by the entity.

If you choose to have 9.85% of your distributive income withheld or to be included in composite income tax, you do not need to complete this form.
