# 2025 Schedule M1HOME Instructions

---

Complete Schedule M1HOME, *First-time Homebuyer Savings Account*, to:

- Register a first-time homebuyer savings account in Minnesota
- Designate a qualified beneficiary
- Determine your subtraction or addition and additional tax

Complete one form per qualified first-time homebuyer savings account you earned interest and dividends from or took a distribution from in 2025.

## Who is a qualified beneficiary?

A qualified beneficiary is the person or married couple that the account holder designates on this schedule. The beneficiary must be a Minnesota resident who has not had ownership interest in a principal residence in the last three years. The account holder may be the beneficiary of a first-time homebuyer account. You may change the qualified beneficiary at any time.

## How do I determine the date I named the qualifying beneficiary?

Typically, you name the qualified beneficiary the day you open the account. To qualify for this subtraction, you must name the beneficiary on Schedule M1HOME.

## What is a qualified withdrawal?

A qualified withdrawal is a withdrawal of funds used for a single-family residence in Minnesota, including:

- Down-payment
- Closing costs
- Cost of construction
- Financing the construction

A single-family residence also includes any of these:

- Manufactured home
- Trailer
- Mobile home
- Condominium unit
- Townhome
- Cooperative

## What is a nonqualified withdrawal?

A nonqualified withdrawal is a withdrawal of funds used for anything other than expenses listed as a qualified withdrawal.
