

Save Receipts For Your Child's Education Expenses

If you're buying school supplies for your children in kindergarten through 12th grade, you may qualify for these tax relief programs:

- K-12 Education Subtraction
- K-12 Education Credit

Save your receipts! Both programs can help lower your taxes and may provide a larger refund when filing your Minnesota income tax return.

As a Tribal member, you may qualify for the K-12 credit and receive a refund, even if Minnesota does not tax you on your income because you live and work on your home reservation.

Common Expenses That Qualify:

- School supplies (pencils, paper, calculators)
- Educational computer hardware and software
- Tutoring K-12 curriculum by a qualified instructor
- Rental or purchase of musical instruments used during school

Expenses That Do Not Qualify:

- School supplies not used in education (backpacks, tissues, organizers)
- Clothing, including school uniforms (except required gym clothes)
- School lunches
- Family trip to museum or zoo
