# 2025 Schedule KPI Instructions

---

Individual, estate and trust partner's use of information provided on Schedule KPI

## Purpose of Schedule KPI

Schedule KPI is a supplemental schedule provided by the partnership to its individual, estate or trust partners.

The partners will need this information to complete a Minnesota Form M1, *Individual Income Tax Return*, or Form M2, *Income Tax Return for Estates and Trusts*.

An individual partner who is a Minnesota resident will be taxed by Minnesota on all of his or her distributive income from the partnership even if the income is apportioned between Minnesota and other states. An estate, trust, and individual nonresident partner will be taxed on the Minnesota distributive income from the partnership.

These instructions are intended to help you report your share of the partnership's income, credits and modifications on your Minnesota return.

**You must include Schedule KPI when you file your Form M1 and Form M2.** If you do not include the schedule with your return as required, the department will disallow any credits and assess the tax or reduce your refund.

**If you received an amended Schedule KPI** from the partnership and your income or deductions have changed, you must file an amended Minnesota return. To amend your return, use Form M1X, *Amended Minnesota Income Tax Return*, or Form M2X, *Amended Income Tax Return for Estates and Trusts*.
