# 2024 Schedule M1NR Instructions

---

## Should I file this schedule?

File this schedule with your Form M1 if you meet the minimum filing requirement and in 2024 you were either a:

- Full-year nonresident of Minnesota
- Part-year resident of Minnesota

See Income Tax Fact Sheets 1, *Residency*; 2, *Part-Year Residents*; and 3, *Nonresidents*, to determine your residency status for Minnesota tax purposes. If you are a full year or part-year nonresident, enter your other state of residency on the “State of Residency” line at the top of this form. If you are married and file a joint federal return, you must file a joint Minnesota return even if only one spouse is a Minnesota resident or has Minnesota income.

You must include Schedule M1NR when you file your return.

## What is the minimum filing requirement?

If your gross income assignable to Minnesota is \$14,575 or more, you must file Form M1 and Schedule M1NR.

If you are considered a nonresident alien for federal tax purposes, and have gross income of at least \$5 assignable to Minnesota, you must file a Minnesota tax return and Schedule M1NR.

## What is gross income assignable to Minnesota?

Gross income assignable to Minnesota includes all income you received while a Minnesota resident and income from Minnesota sources while a nonresident, such as income passed through to you from:

- Partnerships (line 39 of Schedule KPI)
- S corporations (line 39 of Schedule KS)
- Estates or trusts (line 48 of Schedule KF)

Gross income is income before any deductions or expenses. Gross income does not include any military pay a Minnesota resident received for military services outside Minnesota.

**If your Minnesota gross income is below the minimum filing requirement**, and you had tax withheld or paid estimated tax, follow the steps below to complete your Schedule M1NR:

1. Complete lines 1-15 of Schedule M1NR.
2. Skip lines 16-26.
3. Enter 0 on line 28.
4. Enter the amount from line 15, column A, on line 29.
5. Complete lines 30-32.

Enter the appropriate amounts from Schedule M1NR on lines 13, 13a, and 13b of Form M1 and include the schedule when you file your return.

**If your Minnesota gross income is below the minimum filing requirement**, and you are completing Schedule M1NR only to determine your refundable credits:

1. Complete lines 1-27 of Schedule M1NR.
2. Complete line 29 of Schedule M1NR.
3. Use this information to complete the worksheet provided in the instructions for the credits you claim.

**If you were a resident of Michigan or North Dakota for all of 2024**, do not complete this schedule if your only Minnesota source income is exempt due to reciprocity (see Fact Sheet 4, *Reciprocity*, for more information). Complete Schedule M1NR only if you received income from sources in Minnesota that does not qualify under reciprocity. (Income that is not excluded under reciprocity includes Minnesota source gambling winnings, capital gains, rental income, etc.)
