2024 Form M4X Instructions

For additional information, refer to the 2024 M4 forms and instructions.

Federal Return Adjustments

If you amend your federal tax return or if the Internal Revenue Service (IRS) makes an adjustment to your federal return, you must notify us within 180 days. Failure to report federal changes on an amended return, Form M4X, within 180 days will result in a penalty of 10% of any additional tax due. See line 36 instructions.

If you amended your 2024 federal return solely due to the 2025 Federal Tax Budget and Reconciliation Bill (H.R. 1), your Minnesota NC (nonconformity) adjustment will offset the changes to your federal taxable income. For these amended returns, write "H.R. 1" in red at the top of your amended return. For more details, see the Schedule M4NC instructions.

Attach a copy of your amended federal return or notice of adjustment to your Form M4X.

Refunds

Use the 2024 Form M4X to make a claim for refund and report changes to your Minnesota liability for tax year 2024. If you make a claim for a refund and we do not act on it within six months of the date filed, you may bring an action in the district or tax court.

When to File

File Form M4X only after you have filed your original return. You may file Form M4X within 3½ years after the return was due or within one year from the date of an order assessing tax, whichever is later. If you filed your original return under an extension by the extended due date, you have up to 3½ years from the extended due date to file the amended return, Form M4X.

Filing Reminders

The amended return must be signed by a person authorized by the corporation.

If you pay someone to prepare your return, the preparer must sign and enter his or her PTIN number and direct phone.

Rounding is required. You must round amounts to the nearest dollar. Drop any amount less than 50 cents and increase any amount that is 50 cents or more to the next higher dollar.

Completing the Form

Enter your tax year beginning and ending dates at the top of the form. On page 3 of Form M4X, include a detailed explanation of why the original return was incorrect. Providing this information will help us to verify the amended amounts. **Do not staple or tape any enclosures to your return.**

Estimated payments and refunds credited to subsequent years cannot be amended.

Lines 7–32

Refer to the 2024 Corporation Franchise Tax Return (Form M4) instructions for details.

Lines 7, 8, 20, 21, 22, 23, 24, 25, 30, 31, and 32. If you are changing any amounts on these lines, you must attach a corrected copy of the appropriate schedule.

Lines 14, 15, 20, 21, 22, 23, 24, 25, and 26. Changes to your regular franchise tax on line 11 and/or alternative minimum tax on line 12 may also affect the amount you are able to claim of any credits against tax (alternative minimum tax credit, research credit, film production tax credit, tax credit for owners of agricultural assets, and employer transit pass credit).

Line 33

Minnesota requires backup withholding to be made when the payee is subject to federal backup withholding on reportable payments made for personal services. (IRC section 3406). Corporations are not subject to backup withholding for certain types of payments, including:

- interest and dividends
- broker transactions
- royalty payments

The Minnesota backup withholding is equal to the payment multiplied by the highest Minnesota tax rate for corporations. Report the taxpayer's backup withholding on line 33 of Form M4X.

Include a copy of the federal Form 1120X, Form 1120, Form 1099, Schedule KPI, Schedule KS or other documentation showing the amount withheld. If the documentation is not included with your Form M4X, the department will disallow the amount and assess the tax or reduce your refund.

Line 35

Enter the total of the following tax amounts, whether or not paid:

- amount from line 12 of your original M4
- amount due of a previously filed Form M4X
- additional tax due as the result of an audit or notice of change

Do not include any amounts that were paid for penalty, interest or underpayment of estimated tax.

Line 37

Enter the total of the following refund amounts:

- overpayment from line 17 of your original M4, even if you have not yet received it
- refund amount of a previously filed Form M4X
- refund or reduction in tax from a protest or other type of audit adjustment

Include any amount that was credited to estimated tax, applied to pay past due taxes or donated to the Minnesota Nongame Wildlife Fund.

Do not include any interest that may have been included in the refunds you received.

Lines 40 and 45

Lines 40 and 45 should reflect the changes to your tax and/or credits as reported on lines 1 through 32 of Form M4X. If you have unpaid taxes on your original Form M4, Form M4X is not intended to show your corrected balance due.

Line 40

2024 Form M4X Instructions (Continued)

If line 40 is a negative amount, treat it as a positive amount and add it to line 39. Enter the result on line 40. This is the amount you owe, which is due when you file your amended return. You *cannot* use any funds in your estimated tax account to pay this amount. Continue with line 41.

Line 41

If only one of the penalties below applies, you must multiply line 40 by 10% (0.1). If both penalties apply, multiply line 40 by 20% (0.2). Enter the result on line 41.

- The IRS assessed a penalty for negligence or disregard of rules or regulations
- You failed to report federal changes to the department within 180 days as required

Line 43

Interest is calculated as simple interest and accrues on unpaid tax and penalties from the regular due date until it is paid in full. Use the formula below with the appropriate interest rate:

$$\text{Interest} = \text{line 42} \times \text{number of days past the due date} \times \text{interest rate} \div 365$$

The interest rate is determined each October for the following calendar year. The rate for 2025 is 8%. Rates for years after 2025 will be available on our website.

If the days fall in more than one calendar year, you must determine the number of days separately for each year.

Penalty will be assessed if the additional tax and interest are not paid with the amended return.

Line 44

If your estimated tax payments during the last 12-month period ending June 30 totaled \$10,000 or more, you are required to make **all** tax payments electronically starting January 1 of the following year. Once you meet the electronic payment threshold, you are required to pay electronically for all future periods.

You must also pay electronically if you're required to pay *any* Minnesota business tax electronically, such as sales or withholding tax. If you are required to pay electronically and do not, an additional 5% penalty applies to payments not made electronically, even if a paper check is sent on time.
