- You were a Minnesota resident for all or part of 2025 and paid income tax to both Minnesota and another state on the same income

- You purchased transit passes to resell or give to your employees
- You paid Minnesota alternative minimum tax in prior years and are not required to pay it in 2025

- You were a full-year or part-year resident and made eligible loan payments on your own qualified student loans
- You received a credit certificate from the Minnesota Rural Finance Authority

Report the total of all credits from Schedule M1C on line 16 of Form M1. Include any schedules you completed when filing your return.

Line Instructions

Round amounts to the nearest whole dollar.

Line 1 — Marriage Credit (Schedule M1MA)

To qualify for the Marriage Credit, all of these must be true:

- You are filing a joint return
- Both you and your spouse have taxable earned income, taxable pension, or taxable Social Security income
- Your joint taxable income on line 9 of your Form M1 is at least \$48,000
- The earned income of the lesser-earning spouse is at least \$31,000

If you qualify, complete Schedule M1MA, *Marriage Credit*, to determine your credit.

Line 2—Credit for Long-Term Care Insurance Premiums (Schedule M1LTI)

You may be able to claim a credit against tax based on premiums you paid in 2025 for a qualified long-term care insurance policy for which you did not receive a full deduction on Schedule M1SA, *Minnesota Itemized Deductions*.

To qualify, your long-term care insurance policy must:

- Qualify as a deduction (see Schedule M1SA), disregarding the income test
- Have a lifetime long-term care benefit limit of \$100,000 or more

The maximum credit is \$100 per person. If you qualify, complete Schedule M1LTI, *Long-Term Care Insurance Credit*.

Line 3—Credit for Taxes Paid to Another State (Schedule M1CR and Schedule M1RCR)

If you were a Minnesota resident for all or part of 2025 and you paid income tax to both Minnesota and another state on the same income, you may be able to reduce your tax. A Canadian province or territory and the District of Columbia are considered states for purposes of this credit.

If you were domiciled in another state, but you are required to file a 2025 Minnesota income tax return as a Minnesota resident under the 183-day rule, you may be eligible for this credit. To be eligible, you must have paid 2025 state tax on the same income to both Minnesota and your state of domicile. You must get a statement from the other state's tax department stating ineligibility to receive a credit on that state's return for income tax paid to Minnesota. Include this statement with your Form M1.

If you claimed a federal foreign tax credit and you included taxes paid to a Canadian province or territory, you cannot use these same taxes paid to determine your Minnesota credit. If you qualify, complete Schedule M1CR, *Credit for Income Tax Paid to Another State*, and include the schedule with Form M1.

If you paid income tax to Wisconsin: A portion of your credit may be refundable. Complete Schedule M1RCR, *Credit for Tax Paid to Wisconsin*, and include the schedule with Form M1.

Line 4 — Credit for Past Military Service

- You were honorably discharged and receive a military pension or other retirement pay for your service in the military
- You had served in the military for at least 20 years
- You have a service-related disability rated by the U.S. Department of Veterans' Affairs as being 100% total and permanent

Continued

If your adjusted gross income is:
