Transitional Sales

Scanlon sales and use tax ends March 31, 2026. When the sales tax rate decreases, the reduced tax rate applies only to bills issued on or after the effective date of the change. It does not matter when the services took place.

Charge the Scanlon sales tax on the following transactions:

- Lease payments for tangible personal property and motor vehicles that include periods before April 1, 2026
- Sales of taxable services, including utility services when the bill is issued before April 1, 2026
- Sales of admission tickets when they are paid for before April 1, 2026, even if the event occurs after that date.

Note: When a bill or invoice separately lists service dates, you may apply the sales tax based on the specific dates of each service.
