Withholding Tax Return and Deposit Due Dates

You must electronically file your Withholding Tax returns and deposit (pay) the tax you withheld by the due dates listed below.

Note: If the due date falls on a weekend or legal holiday, your return or deposit is due on the next business day.

Return Due Dates

Return due dates depend on whether you are a quarterly filer or an annual filer. Most employers are required to file quarterly returns.

Frequency	For quarter ending:	You must file by:
1st Quarter (Jan. – Mar.)	Mar. 31	Apr. 30
2nd Quarter (April – Jun.)	Jun. 30	Jul. 31
3rd Quarter (July – Sep.)	Sep. 30	Oct. 31
4th Quarter (Oct. – Dec.)	Dec. 31	Jan. 31
Annual (See annual filer requirements below)	—	Jan. 31

Annual filer requirements – To qualify for annual filing, you must have a filing history of \$500 or less of withholding in the prior calendar year. You may receive a letter from the Minnesota Department of Revenue if you qualify for annual filing.

Deposit Due Dates

Deposit due dates depend on your federal Withholding Tax deposit schedule and how much Minnesota tax you withheld.

Frequency	If you withheld:	Then your deposit is due:
Semiweekly	More than \$1,500 in the previous quarter and the Internal Revenue Service (IRS) requires you to deposit semiweekly	• Wed after payday if payday falls on a Wed, Thu, or Fri • Fri after payday if payday falls on a Sat, Sun, Mon, or Tue
Monthly	More than \$1,500 in the previous quarter and the IRS requires you to deposit monthly	15th day of the following month
Annual	Less than \$500 prior to Dec. 1 (See annual deposit exception below)	Jan. 31
Exception – Quarterly	\$1,500 or less in the previous quarter and you filed that quarter's return on time	April 30, July 31, Oct. 31 and Jan. 31

Annual deposit exception – Each time your total tax withheld exceeds \$500, you must deposit by the last day of the month following the month in which withholding exceeds \$500.

Seasonal Option

If you consistently withhold tax in the same one, two, or three quarters each calendar year, you can file returns and deposit tax for only the quarters you pay wages. If you meet this requirement, contact us at **651-282-9999** or withholding.tax@state.mn.us to update your account. Use the above due dates when you file returns and deposit tax for active quarters.

Form MWR Instructions

Instructions for Employees

Minnesota has income tax reciprocity agreements with Michigan and North Dakota. These agreements only cover personal service income such as wages, bonuses, tips, and commissions.

Every year, complete this form and provide it to each Minnesota employer if all of these apply:

- You are a resident of Michigan or North Dakota.
- You return to your residence in that state at least once a month.
- You do not want Minnesota income tax withheld from your wages.

Give the completed form to your employer by the later of:

- February 28
- 30 days after you begin working or change your permanent state of residence

If you complete and submit Form MWR, you do not need to complete Form W-4MN, *Minnesota Employee Withholding Certificate*, to claim exempt from Minnesota Withholding Tax.

Fill Out the Form Completely

If you do not complete every item on this form or do not give the form to your employer by the due date, your employer must withhold Minnesota income tax from your wages.

To Get a Refund of Tax Already Withheld for the Year

File Form M1, *Individual Income Tax*, with the Minnesota Department of Revenue. See the Form M1 instructions for details.

Penalties

If you make any statements on this form that you know are incorrect, we may assess a \$500 penalty.

Use of Information

All information on Form MWR is private by state law. It may only be given to your state of residence, the Internal Revenue Service (IRS), and to other state tax agencies as provided by law. The information may be compared with other information you gave to the Minnesota Department of Revenue.

Your name, address, and Social Security Number are required for identification. Your address is also required to verify your state of residence.

The only information not required is your phone number. We ask for it so we can contact you if we have questions.

Instructions for Employers

Employees must provide you a complete Form MWR if one of these applies:

- They reside in Michigan or North Dakota.
- They requested that you do not withhold Minnesota income tax from their wages.

Form MWR is due by February 28 each year, or within 30 days after they begin working for you or change their state of residence. Employees who live in other states, including Minnesota, cannot use this form.

If an employee does not complete every item of Form MWR or does not provide the form to you by the due date, you must withhold Minnesota income tax, using the same marital status and number of allowances claimed on the employee's Minnesota Form W-4MN (or federal Form W-4, if they did not complete Form W-4MN).

If the employee provides you with a properly completed Form MWR, the employee is not required to complete Form W-4MN to claim exemption from Minnesota income tax withholding.

Submit completed forms MWR by March 31 of each year to:

Minnesota Department of Revenue
Mail Station 6501
600 N. Robert St.
St. Paul, MN 55146-6501

You must keep a copy of all forms for five years from the date received.

For new employees or employees who change their state of residence, send the form within 30 days after the employee gives it to you.

You may be assessed a \$50 penalty for each form you do not send us when required.

Form W-4MN Instructions for Employees

Complete this form for your employer to calculate the amount of Minnesota income tax to be withheld from your pay.

When must I complete Form W-4MN?

Complete Form W-4MN if any of these apply:

- You begin employment.
- You change your filing status.
- You reasonably expect to change your filing status in the next calendar year.
- Your personal or financial situation changes.
- You claim exempt from Minnesota withholding (see Section 2 instructions for qualifications).

If you have not had sufficient Minnesota income tax withheld from your wages, we may assess penalty and interest when you file your state income tax return.

Note: Your employer may be required to submit a copy of your Form W-4MN to the Minnesota Department of Revenue. You may be subject to a \$500 penalty if you provide a false Form W-4MN.

You must enter your Social Security Number for this Form W-4MN to be valid.

What if I have completed federal Form W-4?

If you completed a 2026 Form W-4, you must complete Form W-4MN to determine your Minnesota withholding allowances.

What if I am exempt from Minnesota withholding?

If you claim exempt from Minnesota withholding, complete only Section 2 of Form W-4MN and sign and date the form to validate it. If you complete Section 2, you must complete a new Form W-4MN by February 15 in each following year in which you claim an exemption from Minnesota withholding.

You cannot claim exempt from withholding if all of these apply:

- Another person can claim you as a dependent on their federal tax return.
- Your annual income exceeds \$1,300.
- Your annual income includes more than \$350 of unearned income.

If you do not complete a new Form W-4MN to claim exempt from Minnesota withholding by February 15, your employer will withhold tax as if your filing status is single with zero withholding allowances.

What if I am a nonresident alien for U.S. income taxes?

If you are a nonresident alien, you are not allowed to claim exempt from withholding. You will check the single box for marital status regardless of your actual marital status and may enter one personal allowance on Step A of Section 1. Enter zero on steps B, C, and E of Section 1.

If you are resident of Canada, Mexico, South Korea, or India, and are allowed to claim dependents, enter the number of dependents on Step D.

Section 1 — Minnesota Allowances Worksheet

Complete Section 1 to find your allowances for Minnesota withholding tax. For regular wages, withholding must be based on allowances you claimed and may not be a flat amount or percentage of wages.

If you expect to owe more income tax for the year than will be withheld, you can claim fewer allowances or request additional Minnesota withholding from your wages. Enter the amount of additional Minnesota income tax you want withheld on line 2 of Section 1.

Nonwage Income

Consider making estimated payments if you have a large amount of “nonwage income.” Nonwage income (other than tax-exempt income) includes interest, dividends, net rental income, unemployment compensation, gambling winnings, prizes and awards, hobby income, capital gains, royalties, and partnership income.

Two Earners or Multiple Jobs

If your spouse works or you have more than one job, figure the total number of allowances you are entitled to claim on all jobs using worksheets from only one Form W-4MN. Usually, your withholding will be more accurate when all allowances are claimed on the Form W-4MN for the highest paying job and zero allowances are claimed on the others.

Head of Household Filing Status

You may claim Head of Household as your filing status if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and your dependents. Enter “1” on Step E if you may claim Head of Household as your filing status on your tax return.

What if I itemize deductions on my Minnesota return or have other nonwage income?

Use the Itemized Deductions and Additional Income Worksheet to find your Minnesota withholding allowances. Complete Section 1 on page 1, then follow the steps in the worksheet on the next page to find additional allowances.

Itemized Deductions and Additional Income Worksheet

- 1 Enter an estimate of your 2026 Minnesota itemized deductions. For 2026, you may have to reduce your itemized deductions if your income is over \$244,500 (\$183,350 for Married Filing Separately).
- 2 Enter one of the following based on your filing status:
 - a. \$30,600 if Married Filing Jointly
 - b. \$23,000 if Head of Household
 - c. \$15,300 if Single or Married Filing Separately
- 3 Subtract step 2 from step 1. If zero or less, enter 0
- 4 Enter an estimate of your 2026 additional standard deduction (from page 11 of the Form M1 instructions).
- 5 Add steps 3 and 4
- 6 Enter an estimate of your 2026 taxable nonwage income
- 7 Subtract step 6 from step 5. If zero, enter 0. If less than zero, enter the amount in parentheses.
- 8 Divide the amount on step 7 by \$5,300. If a negative amount, enter in parentheses. Do not include fractions
- 9 Enter the number on step F of Section 1 on page 1
- 10 Add step 8 and 9 and enter the total here. If zero or less, enter 0. Enter this amount on line 1 of page 1.

Section 2 — Minnesota Exemption

Your employer will not withhold Minnesota taxes from your pay if you are exempt from Minnesota withholding. You cannot claim exempt from withholding if all of these apply:

- Another person can claim you as a dependent on their federal tax return.
- Your annual income exceeds \$1,300.
- Your annual income includes more than \$350 of unearned income.

Box A

Check box A of Section 2 to claim exempt if all of these apply:

- You meet the requirements to be exempt from federal withholding.
- You had no Minnesota income tax liability in the prior year and received a full refund of Minnesota tax withheld.
- You expect to have no Minnesota income tax liability for the current year.

Box B

Check box B of Section 2 if you are not claiming exempt from federal withholding, but meet the second and third requirements for box A.

Box C

Check box C in Section 2 to claim exempt if all of these apply:

- You are the spouse of a military member assigned to duty in Minnesota.
- You and your spouse are domiciled in another state.
- You are in Minnesota solely to be with your active-duty military spouse member.

Boxes D-F

If you receive income from the following sources, it is exempt from Minnesota withholding. Your employer will not withhold Minnesota tax from that income when you check the appropriate box in Section 2.

- **Box D:** You receive wages as a member of an American Indian tribe living and working on the reservation of which you are an enrolled member. Enter the name of your reservation and your Certificate of Degree of Indian or Alaskan Blood (CDIB) number/enrollment number. **Members of the Minnesota Chippewa Tribe** can exclude income regardless of which Minnesota Chippewa Tribe reservation you live and work on. This affects members of these tribes:

- Mille Lacs
- Nett Lake (Bois Forte)
- Fond du Lac
- Leech Lake
- White Earth
- Grand Portage

- **Box E:** You receive wages for Minnesota National Guard (MNG) pay or for active-duty U.S. military pay. MNG and active-duty U.S. military members can claim exempt from Minnesota withholding on these wages, even if they are taxable federally. For more information, see Income Tax Fact Sheet 5, *Military Personnel*.

- **Box F:** You receive a military pension or other military retirement pay calculated under U.S. Code title 10, sections 1401 through 1414, 1447 through 1455, and 12733. You may claim exempt from Minnesota withholding on this income even if it is taxable federally.

Note: You may not want to claim exempt if you (or your spouse if filing a joint return) expect to have other forms of income subject to Minnesota tax and you want to avoid owing tax at the end of the year.

If you complete Section 2, you must complete a new Form W-4MN by February 15 in each following year.

Nonresident Alien

If you are a nonresident alien for federal tax purposes, do not complete Section 2. See IRS Publication 519, *U.S. Tax Guide for Aliens*.

Continued

Line 2 — Additional Minnesota Withholding

If you would like an additional amount of tax to be deducted per payment period, enter the amount on line 2. Do not enter a percentage of the payment you want to be deducted.

Form W-4MN Employer Instructions

Form W-4MN Requirement

Federal Form W-4 will not determine withholding allowances used to determine the amount of Minnesota withholding. Employees completing a 2026 Form W-4 will need to complete 2026 Form W-4MN to determine the appropriate amount of Minnesota withholding.

Lock-In Letters

IRS Letter 2800C tells you when the IRS believes your employee may have filed an incorrect federal Form W-4. If you receive this letter, you must provide the Minnesota Department of Revenue with a copy of the employee's Form W-4MN. We will verify the number of allowances that the employee may claim for Minnesota purposes. Continue using the Form W-4MN you were using at the time you received Letter 2800C from the IRS, until we notify you to change the number of allowances on the employee's Form W-4MN. If the employee has not completed a Form W-4MN, have them complete the form and use the allowances calculated on that form until notified by the department.

Use the amount on line 1 of page 1 for calculating the withholding tax for your employees.

When does an employee complete Form W-4MN?

Employees complete Form W-4MN no later than when they begin employment or when their personal or financial situation changes.

How should I determine Minnesota withholding for an employee that does not complete Form W-4MN?

If an employee does not complete Form W-4MN and they have a federal Form W-4 (from 2019 or prior years) on file, use the allowances on their federal Form W-4. Otherwise, withhold Minnesota tax as if the employee is single with zero withholding allowances.

What if my employee claims to be exempt from Minnesota withholding?

If your employee claims exempt from Minnesota withholding, they must complete Section 2 of Form W-4MN. They must provide you with a new Form W-4MN by February 15 of each year. If they claimed exempt the prior year and do not provide you with a new Form W-4MN by February 15, then withhold Minnesota tax as if the employee is single with zero withholding allowances. If you are paying an employee for wages that are exempt from withholding, such as Medicaid Waiver Payments or wages to H-2A visa workers, do not send us Form W-4MN.

When do I need to submit copies of a Form W-4MN to the department?

You must send copies of Form W-4MN to us if any of these apply:

- The employee claims more than 10 Minnesota withholding allowances.
- The employee checked box A or B under Section 2, and you reasonably expect the employee's wages to exceed \$200 per week.
- You believe the employee is not entitled to the number of allowances claimed.

You do not need to submit Form W-4MN to us if the employee is asking to have additional Minnesota withholding deducted from their pay.

We may assess a \$50 penalty for each Form W-4MN you do not file with us when required.

Mail Forms W-4MN to:

Minnesota Department of Revenue
Mail Station 6501
600 N. Robert St.
St. Paul, MN 55146-6501

What if my employee is a resident of a state that has a reciprocity agreement with Minnesota?

Your employee must complete Form MWR, *Reciprocity Exemption/Affidavit of Residency* if both of these apply:

- They are a resident of North Dakota or Michigan.
- They do not want you to withhold Minnesota tax from their wages.

Your employee must complete a Form MWR by February 28 of each year, or within 30 days after they begin working or change their permanent residence. See Withholding Fact Sheet 20, *Reciprocity - Employee Withholding*, for more information.

What is an invalid Form W-4MN?

A Form W-4MN is considered invalid if any of these apply:

- There is any unauthorized change or addition to the form, including any change to the language certifying the form is correct.
- The employee indicates in any way the form is false by the date they provide you with the form.
- The form is incomplete or lacks the necessary signatures.
- Both Section 1 and Section 2 were completed.
- The employer information is incomplete.

What if I receive an invalid form?

Do not use the invalid form to calculate Minnesota income tax withholding. Have the employee complete and submit a new Form W-4MN. If the employee does not give you a valid form, and you have an earlier Form W-4MN from them, use the earlier form to calculate their withholding.

If a valid Form W-4MN is not completed by the employee, withhold taxes as if the employee is single and claiming zero withholding allowances.

What if my employee is a nonresident alien of the United States?

If the wages to this employee are subject to income tax withholding, you will use Table 1 and the procedure under **Withholding Adjustment for Nonresident Alien Employees** in IRS Publication 15-T to determine the correct Minnesota withholding tax. Do not use this procedure for nonresident alien students from India and business apprentices from India. Also, do not use this procedure for certain nonresident aliens who are residents of South Korea. See IRS Notice 1392 for special instructions and withholding exceptions.

Form W-4MNP, Minnesota Withholding Certificate for Retirement Account, Pension, or Commercial Annuity Payments

Complete this form to request the percentage or amount of Minnesota income tax to be withheld from your taxable payments or distributions.

What's new?

On May 24, 2023, legislation was enacted to allow recipients of retirement, IRA, pension, or commercial annuity payments to request Minnesota income tax withholding at any rate or amount they choose, including none. This simplified method does not require you to calculate allowances. If you already have a Form W-4MNP on file with your plan administrator, you do not need to complete this form unless you choose to do so.

When should I complete Form W-4MNP?

Complete Form W-4MNP if you are a Minnesota resident and receive taxable payments or distributions from any of these:

- Employer deferred compensation plan (such as a 401(k))
- Pension plan
- Individual retirement plan
- Traditional IRA
- Commercial annuity

This form is not required for certain nontaxable distributions, including designated Roth account distributions, qualified Roth IRA distributions, or Qualified Charitable Distributions (QCDs).

For taxable periodic payments, complete Form W-4MNP when you begin receiving payments from a retirement account, traditional IRA, annuity, or pension, or if your personal or financial situation changes. Use this form to specify a dollar amount or percentage to be withheld or to elect to have no Minnesota income tax withheld from these payments. If you were already having Minnesota income tax withheld from payments you received, you do not need to complete a Form W-4MNP unless you want to adjust your Minnesota income tax withholding.

For taxable nonperiodic distributions, you must complete Form W-4MNP to set the withholding amount or percentage for your distribution or elect not to withhold on the distribution. You may complete a new form or elect out of withholding each time you request a nonperiodic distribution.

Generally, if you submit a federal Form W-4P or W-4R for federal income tax withholding, you should complete a new Form W-4MNP.

If you previously completed Form W-4MNP for the same institution, you may use the election from the previous Form W-4MNP by confirming the election with the institution. In this case, you would not need to complete a new Form W-4MNP.

For this Form W-4MNP to be valid, you must enter your Social Security Number and sign the form. If this form is invalid or incomplete, the payer will withhold Minnesota income taxes equal to 6.25% of any taxable payment or distribution.

What are periodic payments and nonperiodic distributions?

Periodic payments are made in installments at regular intervals (such as quarterly, monthly, or annually) over a period of more than one year.

Nonperiodic distributions are payments not made at regular intervals, including on-demand IRA distributions.

What if I receive multiple nonperiodic distributions?

This form is specific to the account or contract you identified above. If you have more than one account or contract with the financial institution or payer to which you are providing this form, complete a separate Form W-4MNP for distributions or payments from each account or contract.

What if I have completed federal Form W-4P or Form W-4R?

You will still need to complete Form W-4MNP to specify your Minnesota income tax withholding, if you have not already done so. If you do not complete Form W-4MNP and provide it to the payer, the payer will withhold Minnesota income taxes equal to 6.25% of your payments or distributions.

What if I choose to not have Minnesota income tax withheld?

Check the "No withholding" box and sign Form W-4MNP to validate it. Consider making estimated tax payments to avoid possible penalties and interest when you file your Minnesota income tax return. If you do not check the "No withholding" box, or specify a withholding percentage or amount, the payer will withhold Minnesota income taxes equal to 6.25% of any taxable payment or distribution.

Form W-4MNP Payer Instructions on next page.

Form W-4MNP Payer Instructions

Form W-4MNP Requirement

If your recipient is a Minnesota resident and completes a federal 2026 Form W-4P or Form W-4R, they will need to complete 2026 Form W-4MNP to set the desired amount of Minnesota withholding for taxable distributions and payments. **Your recipient is not required to complete this form for certain nontaxable distributions, including designated Roth account distributions, qualified Roth IRA distributions, or Qualified Charitable Distributions (QCDs).**

When does a recipient complete Form W-4MNP?

Recipients complete Form W-4MNP when they begin receiving taxable payments or distributions, or when their personal or financial situation changes.

If a recipient requests more than one taxable nonperiodic distribution from your institution, and you already have a Form W-4MNP on file, confirm with them whether they would like to use their previous election. If they choose to change their election, they must complete a new Form W-4MNP.

How should I determine Minnesota withholding for a recipient that does not complete Form W-4MNP?

If a recipient already has a prior-year Form W-4MNP on file, you may use the allowances on their Form W-4MNP. Do not change withholding on distributions without requesting an updated Form W-4MNP. If a recipient has a federal Form W-4P or W-4R on file from tax year 2017 or prior, you may use the allowances on their federal Form W-4P or Form W-4R. Otherwise, withhold Minnesota tax at a rate of 6.25% of the taxable distribution only if you have been unable to obtain a Form W-4MNP from the recipient.

Prior to May 24, 2023, if you provided the option to withhold Minnesota income tax on distributions as shown on Form W-4MNP, you may be able to continue following the recipient's previous election. Do not change any existing withholding arrangement unless the recipient directs you to do so.

If the recipient	Then
Chose to have tax withheld	You may use the allowances the recipient determined on a prior-year Minnesota Form W-4MNP. Do not change any existing withholding arrangement without contacting the recipient.
Chose not to have tax withheld	You do not need to withhold for the recipient.
Did not choose either way	You must ask the recipient to complete Form W-4MNP to choose their withholding amount or percentage.

What is an invalid Form W-4MNP?

Form W-4MNP is considered invalid if any of these apply:

- There is any unauthorized change or addition to the form, including any change to the language certifying the form is correct.
- The recipient indicates in any way that the form is false by the date the recipient provides you with the form.
- The form is incomplete or lacks a Social Security Number and required signatures.

What if I receive an invalid form?

Do not use the invalid form to calculate Minnesota income tax withholding. Have the recipient complete and submit a new Form W-4MNP. If the recipient does not give you a valid form, and you have a prior-year Form W-4MNP from them, use the prior-year form to calculate their withholding. If they do provide a valid form and you don't have a prior-year Form-W4-MNP from them, withhold taxes at a rate of 6.25%.

Does the department accept substitute forms?

You may use an equivalent substitute form, but it must include all the election options from Form W-4MNP. Keep all Forms W-4MNP or equivalent documents with your records.

Financial institutions are not required to use this revised Form W-4MNP before January 1, 2026.

Are there penalties for not withholding?

Yes. If the recipient does not submit Form W-4MNP, you must withhold Minnesota tax at 6.25% on periodic payments or non-periodic distributions. A late-payment penalty applies if the tax is paid after the due date. For more details, see the **Minnesota Income Tax Withholding Instruction Booklet** or visit the **Penalties and Interest for Businesses** page on our website.
