If you (or your spouse, if filing a joint return) paid premiums in 2026 for a qualified long-term care insurance policy, complete this schedule to determine the amount of the credit you may claim when filing Form M1, *Individual Income Tax*.

To qualify for this credit, both of these must apply to your long-term care insurance policy:

- It qualifies as an itemized deduction on Schedule M1SA, *Minnesota Itemized Deductions*, regardless of income limitations
- It has a lifetime long-term care benefit limit of \$100,000 or more

There are no separate instructions for Schedule M1LTI.
