

NOTICE

Refund Anticipation Loan

This is a loan. This is not your refund. The annual percentage rate (APR), based on the estimated payment period, is _____%.

Your refund will be used to repay the loan. As a result, the amount of your refund will be reduced by \$_____ for fees, interest, and other charges.

You have the right to cancel this transaction by returning the loan check or the amount of the loan in cash within one business day after you get the loan

You can get your refund in about two weeks if you file your return electronically and have the Internal Revenue Service send your refund to your own bank account

If you choose to take this loan and your refund is delayed, you may have to pay.
