2026 Schedule KF Instructions

Beneficiary's use of information provided on Schedule KF

Purpose of Schedule KF

Schedule KF is a supplemental schedule provided by the fiduciary to its beneficiaries. The beneficiaries need this information to complete a Form M1, *Minnesota Individual Income Tax Return*, or Form M2, *Income Tax Return for Estates and Trusts*.

The schedule shows each beneficiary their specific share of the fiduciary's income, credits and modifications. An individual beneficiary who is a Minnesota resident must report all income from the trust or estate. All other beneficiaries must report income which is allocable to Minnesota.

These instructions are intended to help you report your share of the fiduciary's income, credits and modifications on your Minnesota return.

If you received an amended Schedule KF from the fiduciary and your income or deductions have changed, you must file an amended Minnesota return. To amend your return, use Form M1X, *Amended Minnesota Income Tax Return*, or Form M2X, *Amended Income Tax Return for Estates and Trusts*.

If certain items are not entirely included in your federal income because of passive activity loss limitation, capital loss limitations, section 179 limitations or for other reasons, include only the amounts that you included in your federal income.

Line 49 – Minnesota Source Gross Income

Minnesota source gross income is used to determine if a nonresident individual is required to file a Minnesota individual income tax return. Gross income is income before business or rental deductions and does not include losses.

If your 2026 Minnesota source gross income is \$15,300 or more and you did not elect composite filing or have your filing requirement satisfied through a PTE tax filing, then you are required to file Form M1 and Schedule M1NR, *Nonresident/Part-Year Residents*.

If your 2026 Minnesota source gross income is less than \$15,300 and you had Minnesota tax withheld (see line 33 and line 44 of Schedule KF), file Form M1 and Schedule M1NR to receive a refund.

Line 50 – Minnesota Source Distributive Income

Although Minnesota source gross income (line 49 of Schedule KF) determines whether you must file a Minnesota return, your Minnesota source distributive income is ultimately taxed.

Lines 50 and 51 were used to determine your share of the fiduciary's Minnesota source distributive income. You may need to refer to these amounts when you file your state's income tax return.

If you elected for the fiduciary to pay composite tax or have your filing requirement satisfied through a PTE tax filing, then you are not required to file Form M1.

Line 51 – Minnesota Composite Income Tax

If you elected composite income tax, the amount paid on your behalf equals 9.85% of your Minnesota source distributive income with certain adjustments. You are not required to file Form M1.
