# 2026 Schedule M1CWFC Instructions

## Purpose of this Schedule

Use this schedule to determine the amount of your Minnesota Working Family Credit and Child Tax Credit for 2026 and your Advance Child Tax Credit Payments and Minimum Credit Base for 2027. You must complete Schedule M1DQC, Dependents and *Qualifying Children*, to determine who is a qualifying child and qualifying older child.

The Working Family Credit is four percent of your first \$9,690 of earned income plus an additional amount for up to three qualifying older children. See Schedule M1DQC to determine who is a qualifying older child. For 2026, the maximum working family credit is:

- \$388 with zero qualifying older children
- \$1,408 with one qualifying older child
- \$2,718 with two qualifying older children
- \$3,158 with three or more qualifying older children

You may claim the credit for qualifying older children and child tax credit even if you have no earned income.

The Minnesota Child Tax Credit is \$1,800 for each qualifying child under the age of 18. See Schedule M1DQC to determine who you may claim as a qualifying child for the child tax credit.

The Working Family Credit and Child Tax Credit are reduced when your adjusted gross income exceeds \$32,680 (\$38,770 if married filing jointly). The amount of the credit is reduced by 12 percent of adjusted gross income (AGI) that exceeds the limit. If you had at least one qualifying older child but no qualifying child for the child tax credit, your credit is reduced by 9 percent of AGI exceeding the limit.

If you, your spouse (if married and filing a joint return), or your qualifying children do not have a Social Security Number, you may use an Individual Taxpayer Identification Number (ITIN) to claim these credits.

## Am I eligible?

You must meet all of these requirements to be eligible to claim the Minnesota Working Family and Child Tax credits:

- You were a full-year or part-year resident of Minnesota in 2026 (if you are a member of the military, see below).
- You have investment income less than \$12,200 (if you have investment income greater than \$12,200 complete step 2 in the instructions for line 27 of Form 1040 to determine if you are eligible to claim the credits on this schedule).
- You are not a dependent of another person.
- If you have no qualifying children on rows 10 and 11 of Schedule M1DQC, you or your spouse must be between the ages of 19 and 64.
- If you have no qualifying children on rows 10 and 11 of Schedule M1DQC, you and your spouse's main residence must have been in the United States for more than half of 2026.
- If you are married and you or your spouse are a nonresident alien, your filing status must be Married Filing Jointly

You are **not** eligible if any of these apply:

- You have a 2-year or 10-year IRS ban on claiming the federal Earned Income Credit (EIC).
- You are the dependent or qualifying child of another person.
- Your filing status is Married Filing Separately, unless you meet the exception and requirements under **Exception for Those Who are Married and Filing Separately** below.

Earned income does not include:

- Any amount included on line 1z of Form 1040 or 1040-SR that is a taxable scholarship or fellowship grant not reported on a Form W-2
- Any amount included on line 1z of Form 1040 or 1040-SR that you received for work performed while an inmate in a penal institution
- Any amount included on line 1z of Form 1040 or 1040-SR that you received as a pension or annuity from a nonqualified deferred compensation plan or non-governmental section 457 plan

## Exception for Those Who are Married and Filing Separately

Check the first box at the top of Schedule M1CWFC if your filing status is Married Filing Separately, you have at least one qualifying child on Schedule M1DQC who lived with you for more than half of 2026 and either of these apply:

- You do not share the same principal abode as your spouse for at least the last six months of 2026
- You are legally separated from your spouse according to Minnesota law under a written separation agreement or a decree of separate maintenance, and you do not live in the same household as your spouse at the end of 2026

## Filing Only to Repay 2026 Advance Child Tax Credit Payments

Check the second box at the top of Schedule M1CWFC if you are only filing this schedule to repay your 2026 advance child tax credit payments you claimed when filing your 2025 Schedule M1CWFC. After you check this box, skip sections 1 and 3 of this schedule and only complete section 2. Taxpayers who should only complete section 2 are those who are not eligible for the 2026 child and working family credits and need to reconcile 2026 advance child tax credit payments previously received.

To learn more about situations when a taxpayer may need to repay their advance child tax credit payments, visiting [www.revenue.state.mn.us](http://www.revenue.state.mn.us) and type "Common Repayment Examples" in the search box.

## Treatment of military personnel stationed outside Minnesota

If you are a member of the Armed Forces, you will be treated as if you resided in Minnesota during any period which you are stationed outside the United States while serving on extended active duty with the U.S. Armed Forces. "Extended active duty" means any period of active duty pursuant to a call or order to such duty for a period in excess of 90 days or for an indefinite period. You must otherwise be a resident of Minnesota. You may include nontaxable combat pay as earned income.

## Is there a penalty for fraudulently claiming a refund?

Yes. If you file a return that fraudulently claims a credit that results in a refund, you may be assessed a penalty equal to 50% of the portion of the refund attributable to fraud. If a fraudulently claimed credit reduced your tax liability, you may also be assessed a penalty equal to 50% of the unpaid tax.

### Worksheet for Earned Income

- 1 Line 1z of federal Form 1040 or 1040-SR. Church employees, clergy, and Medicaid Waiver payment recipients: see instructions below for Step 1 .....
- 2 Enter all of your nontaxable combat pay if you elect to include it in earned income .....
- 3 Add steps 1 and 2. Enter the result on Line 2 of this schedule, unless you were self-employed, filing federal Schedule SE as a member of the clergy, had church employee income, or are filing federal Schedule C as a statutory employee. If any of these apply, continue to step 4. ....

### Instructions for Step 1 of the Worksheet for Earned Income

If you received Medicaid Waiver payments which were not included on line 1z of Form 1040 or 1040-SR, add these payments to the amount reported on line 1z of Form 1040 or 1040-SR. Enter the result on Step 1.

If you are a church employee, determine how much of the amount on Form 1040 or 1040-SR, line 1a, was also reported on Schedule SE, Part I, line 5a. - Less than \$15,300, you should have entered zero on line 28 of Schedule M1NR, *Nonresidents/Part-Year Residents*. To determine this credit, fully complete Schedule M1NR (do not skip lines 16-27) to determine what the amounts would have been. Then, complete the Worksheet for Line 16 below.

- 4 Line 29 of Schedule M1NR .....
- 5 Divide step 3 by step 4 and enter the result as a decimal *(carry to five decimal places)*. If step 3 is more than step 4, enter 1.0. Enter the result on the space provided on line 16 of this schedule .....

**Line 27**

If line 25 is greater than line 24, your 2026 credit is less than the payments you received and you must repay the amount that exceeded your 2026 credit. Subtract your 2026 credit from your advance payments, enter the result on line 27, and include this amount on line 14b of Form M1.

**Section 3 — Advance Payment of 2027 Child Tax Credit**

You may elect to receive advance payment of your 2027 Child Tax Credit by checking the box at the top of Schedule M1CWFC. You must be eligible for a child tax credit in 2026 to receive advance payments for 2027. If you receive advance payments, you may have to repay the advances. See **Reconciliation of Advance Payments** for more information.

If you elect to receive advance payments you:

- Are eligible to claim a 2027 Minimum Credit Base (See Tax Year 2027 Minimum Credit Base for more information)
- Must file a 2027 income tax return even if you are not otherwise required to file a Minnesota return
- Must file a 2027 income tax return even if you no longer have qualifying children for the child tax credit

If you elect to receive advance payments of your 2027 child tax credit, you must file a 2027 income tax return.

You may elect to receive advance payments if all of these are true:

- You file your original return on or before April 15.
- You have qualifying children under the age of 17 at the end of 2026.
- You were a resident of Minnesota on December 31, 2026.

**Married Filing Jointly**

If you are married and filing a joint return, each spouse is considered to have received half of the total advance payments on a joint return. If you are no longer married, both spouses are required to file 2027 Minnesota Individual Income tax returns with 50% of all advance payments attributed to each former spouse.

**Deceased Spouse**

If you are filing as Married Filing Joint and one spouse died prior to filing your 2027 return, all advance payments you receive in 2027 are attributed to the surviving spouse. The surviving spouse is required to file a 2027 Minnesota Individual Income tax return claiming all of the advance payments.

**Timing of Advance Payments**

If you are eligible and elect to receive the advance payments, the payments will begin after July 1. The payments will be made in three equal amounts. For more information about advance payments, go to our website at [revenue.state.mn.us](https://revenue.state.mn.us) and enter **advance child tax credit payments** into the Search box.

**Amending your Return**

You cannot elect to receive advance payments on an amended return if you did not already elect to receive advance payments on your original return. If you amend your income tax return and there is a change to your child tax credit, you will no longer receive advance payments of your 2027 child tax credit.

**Supplemental Nutrition Assistance Program (SNAP) recipients**

SNAP benefits or eligibility for benefits may be impacted if you received **advance payments** of your Child Tax Credit. If you choose to receive the Child Tax Credit with your return during tax filing season, it will not impact your eligibility or benefit amount for SNAP. For more information, contact the SNAP center at the Minnesota Department of Children, Youth, and Families at 1-800-657-3698 or online at [dcyf.mn.gov/snap-ctc](https://dcyf.mn.gov/snap-ctc).

**Tax Year 2027 Minimum Credit Base**

If you receive advance payments of your 2027 credit, you may be eligible for the Minimum Credit Base on your 2027 return. The Minimum Credit Base is based on 50% of your 2026 child tax credit but reduced if you have fewer qualifying children for the child tax credit in 2027 than you had in 2026. For more information on the Minimum Credit Base, go to our website at [revenue.state.mn.us](https://revenue.state.mn.us) and enter **advance child tax credit payments** into the Search box.

**Deposit Information**

If you want the advance payments for your 2027 Child Tax Credit by direct deposit, provide the bank routing and account information.

The routing number must have nine digits. The account number may contain up to 17 digits, which includes numbers and letters. Leave out any hyphens, spaces, or symbols. If the routing or account number is incorrect or is not accepted by your financial institution, we will send your refund as a paper check. We may also issue your refund by check if we adjusted your return or recaptured part of your refund to pay a debt you owe. You must use an account not associated with any foreign banks.

By completing line 32, you are authorizing us and your financial institution to initiate electronic credit entries and, if necessary, debit entries and adjustments for any credits made in error.

If you do not check the box, or enter bank account information, you will receive advance payments by paper check.

### **Option to Receive Text Messages Regarding Advance Payments of your Child Tax Credit**

If you would like to receive text message updates about your advance payments, check the box at the top of this schedule. The number you provided when you filed Form M1 will be used to contact you with updates on your advance payments.

### **Reconciliation of Advance Payments for 2027**

If you elect to receive advance payments of your 2027 child tax credit, you must file a 2027 Minnesota income tax return and compare the payments you received to your eligible credit. If the total advance payments you received are greater than the total credit you are eligible to receive, you will have to repay the excess payment amount. The excess will be added to your tax due for the year and will reduce your refund or increase your tax liability.

For example, you may have to repay some or all of your advance payments of your child tax credit on your 2027 income tax return if:

- You have fewer qualifying children on your 2027 return.
- You are no longer eligible for the 2027 Minimum Credit.
- Your advance payments exceed your 2027 tax refund.
- You were a full-year resident in 2026 and became a part-year or non-resident in 2027.
