2024 Schedule KPI Instructions

Individual, estate and trust partner's use of information provided on Schedule KPI

Purpose of Schedule KPI

Schedule KPI is a supplemental schedule provided by the partnership to its individual, estate or trust partners.

The partners will need this information to complete a Minnesota Form M1, *Individual Income Tax Return*, or Form M2, *Income Tax Return for Estates and Trusts*.

An individual partner who is a Minnesota resident will be taxed by Minnesota on all of his or her distributive income from the partnership even if the income is apportioned between Minnesota and other states. An estate, trust, and individual nonresident partner will be taxed on the Minnesota distributive income from the partnership.

These instructions are intended to help you report your share of the partnership's income, credits and modifications on your Minnesota return.

You must include Schedule KPI when you file your Form M1 and Form M2. If you do not include the schedule with your return as required, the department will disallow any credits and assess the tax or reduce your refund.

If you received an amended Schedule KPI from the partnership and your income or deductions have changed, you must file an amended Minnesota return. To amend your return, use Form M1X, *Amended Minnesota Income Tax Return*, or Form M2X, *Amended Income Tax Return for Estates and Trusts*.

If your 2024 Minnesota source gross income is less than $14,575 and you had Minnesota tax withheld (see line 34 and line 55 of Schedule KPI), file Form M1 to receive a refund.

Estates and Trusts: Use the information on lines 39 through 50 to complete Schedule M2NM.

2024 Schedule KPI Instructions (Continued)

Line 53 – Minnesota Source Distributive Income

Although Minnesota source gross income (line 39 of Schedule KPI) determines whether you must file a Minnesota return, your Minnesota source distributive income is ultimately taxed.

Line 54 – Minnesota Composite Income Tax

Individuals: If you elected composite income tax, the amount paid on your behalf equals 9.85% of your Minnesota source distributive income on line 53, minus your share of any credits on lines 23-25, 27-32, and 34. You are not required to file Form M1.

Estates and Trusts: This line does not apply.

Line 55 – Minnesota Nonresident withholding

Individuals: Include the amount from line 55 on Schedule M1W, line 7, column C. Also include the amount from line 53 on Schedule M1W, line 7, column B.

Estates and Trusts: This line does not apply.

Sale of a Partnership Interest

If you sell any portion of your interest in a partnership, some or all of the gain may be taxable. Or you can use any loss on the sale to offset other Minnesota income to the extent the losses are deducted on your federal return.

To determine the ratio of gain or loss that is assigned to Minnesota at the time of the sale, divide the original cost of the partnership's tangible property *in Minnesota* by the original cost of all tangible property of the partnership. (Tangible property includes real estate, inventory and equipment.) If you don't have these numbers, contact the partnership.

If more than 50 percent of the value of the partnership's assets are intangibles, the gain/loss is allocated to Minnesota using the partnership's prior year sales factor. Include the result on Schedule M1NR, line 4, column B.
