Do I qualify?

You may be eligible for a refund based on your household income and the property taxes on your primary residence in Minnesota. If you are a renter, you may claim the renter's credit when filing your Minnesota Income Tax Return (Form M1). See the instructions for Schedule M1RENT, *Renter's Credit,* for more information.

Requirements

- You must have owned and occupied your home on January 2, 2027.
- Your property must be classified as your homestead, or you must have applied for homestead classification and had it approved (see page 4).

- You **have a relative homestead**. Neither the owner nor the occupants may claim a homeowner's refund or special refund for property classified as a relative homestead.

Special Property Tax Refund Requirements

If you are a homeowner, you may also be eligible for a special property tax refund. This refund has no income limit and the maximum refund is $1,000. You may qualify if all of these are true:

- Your net property tax on your homestead increased by more than 12% from 2026 to 2027
- The increase was at least $100

Where's my refund?

We review every return to verify the information on the return and make sure the right refund goes to the right person. Each tax return is different, so processing time will vary. To check your refund status, go to www.revenue.state.mn.us after July 1 and enter **Where's My Refund** into the Search box. With this system, you can:

- See if we've received your return
- Follow your return through the process
- Understand the steps your return goes through before a refund is sent
- See the actual date your refund was sent

When you use **Where's My Refund**, we ask for your Social Security Number or Taxpayer Identification Number, date of birth, return type, tax year, and the exact amount of your refund.

What can I do to get my refund faster?

- Electronically file your return
- Choose direct deposit (Use an account you do not plan on closing. We cannot change the account.)
- Include all documentation

What happens after I send my return?

We will:

- Receive your return
- Process your return
- Prepare your refund
- Send your refund

How does the department protect my information?

We partner with other states, the Internal Revenue Service (IRS), financial institutions, and tax preparation software vendors to combat fraud. Protecting your information and identity is our priority. We will never ask you to provide, update, or verify personal information through unsolicited emails, texts, or phone calls. Do not respond to these emails, texts, or phone calls.

If you are concerned about a potentially fraudulent contact by someone claiming to be from the department, call 651-296-3781 or 1-800-652-9094. We can determine if the contact you received was legitimate.

For more information about keeping your identity safe, go to:

- www.revenue.state.mn.us and enter **Protecting Your Identity** into the Search box
- www.irs.gov (IRS)
- www.ag.state.mn.us (Minnesota Attorney General's Office)

How is my information used?

The information you provide on your tax return is private under state law. We use this information to determine your liability under Minnesota tax laws and for other tax administration purposes. We cannot give this information to others without your consent, except that certain other government entities may access this information if allowed by law. For details about how we use your information, including a complete list of the entities we may share it with, go to www.revenue.state.mn.us and enter **Use of Information** into the Search box.

How do I report my property taxes paid?

Use the **Statement of Property Taxes Payable in 2027** that you receive in March 2027 to complete your 2026 return. Do not use your 2026 tax statement or your Notice of Proposed Taxes to complete your return. Your refund will be delayed if you file using incorrect statements. Do not include your property tax statement when mailing a return.

Getting Started

Homestead Classification and Delinquent Taxes

Nonhomestead classification. If the property is not classified as homestead on your property tax statement or you bought your home in 2026, you must apply for homestead status with your county assessor's office and submit the application on or before December 31, 2027. When you apply for homestead status, request a signed statement saying your application was approved. Include it with your Form M1PR.

Delinquent taxes. If there are delinquent property taxes on your home, you cannot file a return unless you pay or make arrangements with the county by August 16, 2028. Include a copy of your receipt or a signed confession of judgment statement from your county auditor or treasurer.

After your homestead application has been approved or you have paid or made arrangements to pay delinquent taxes, include the amount from line 5 of your property tax statement on line 14 of Form M1PR.

What if I move after I file?

Change your address by emailing individual.incometax@state.mn.us or calling 651-296-3781 or 1-800-652-9094.
Your refund may be delayed if you do not contact us.

What if a person died?

Only a surviving spouse or dependent can file a return on behalf of a deceased person (decedent).

Spouses:

If a person who is eligible for a property tax refund died in 2026:

- Apply for the refund using both your names
- Use your full year income
- Use your deceased spouse's income up to the date of death

If the person died in 2027 before applying for the 2026 refund:

- Apply for the refund using both names
- Print DECD and the date of death after the decedent's name
- Enclose a copy of the death certificate with the return

Dependents (If there is no surviving spouse):

- Apply for the refund using the decedent's name
- Complete and enclose Form M23, *Claim for a Refund for a Deceased Taxpayer*
- Enclose a copy of the death certificate with the return

If a person died after filing a return but prior to us issuing the check, we may only pay the refund to the surviving spouse or dependent. If we issued the check and it was not cashed prior to death, it is considered part of the estate, and we may pay it to the personal representative.

What if my property tax or income changes?

File Form M1PRX, *Amended Homestead Credit Refund*, if any of these happen after filing your return:

- Your household income changes
- You receive a corrected statement from your county
- You need to correct a mistake on your original return

You have until February 16, 2031 to file an amended 2026 property tax refund return.

If your amended return reduces your refund, you must pay the difference. You must also pay interest on the difference from the date you received your original refund. If your refund increases, you will receive a check for the increase plus applicable interest.

Completing the Top of the Return

Important Tips

- Round the dollar amounts to the nearest dollar. For example: 129.49 becomes 129, and 129.50 becomes 130.
- Leave lines and unused boxes blank if they do not apply to you or if the amount is zero.
- Do not write extra numbers, symbols, or notes on your return, such as cents, dashes, decimal points, or dollar signs. Do not put a slash through the "0" (Ø) or "7" (7̸) or any other numbers.
- Enclose any explanations on a separate sheet unless you are instructed to write them on your return.
- Do not staple or tape any enclosures to your return. If you want to ensure your papers stay together, use a paperclip.

Name and Address

Use capital letters and black ink. Print your legal name, not a nickname. Enter only one address - your current home address **or** your post office box. If your current address is a foreign address, mark an X in the **Foreign Address** box.

If you do not select direct deposit, we will issue your refund check in the name(s) on your return.

The **routing number** must have nine digits. The **account number** may contain up to 17 digits (both numbers and letters). Leave out any hyphens, spaces, and symbols. If the routing or account number is incorrect or is not accepted by your financial institution, you will receive your refund as a paper check.

Do not use an account associated with any foreign banks.

You are authorizing us and your financial institution to initiate electronic credit entries and, if necessary, debit entries and adjustments for any credits made in error.

Note: To avoid a delay in your refund, request direct deposit into an account that you do not plan on closing before your refund is issued. If the account is closed before the refund is issued, a paper check will be issued.

Sign Your Return

Sign your return at the bottom of the second page of the form. Your spouse must also sign if you file jointly.

Return Authorization Checkbox

Check this box to authorize the department to discuss this return with the preparer or the third-party designee indicated on your federal return. This authority allows us to discuss with your preparer these items from this return: line-item details; tax due on original and adjustments made during processing; penalty or interest due; documents received or sent like a tax order or bill; and dates and amounts of payments, credits, or refunds. The authority also allows your preparer to cancel direct deposit or debit payments and submit an abatement request.

The authority granted by a marked return checkbox is valid for one year after the due date for current original returns, or one year from the date the form was submitted for amended and noncurrent original returns.

Checking the box **does not** give your preparer or third-party designee the authority to sign any tax documents on your behalf, represent you at any audit or appeals conference, or discuss abatement progress. For these types of authorities, you must file a power of attorney form, such as Form REV184i, *Individual or Sole Proprietor Power of Attorney*, with the Minnesota Department of Revenue.

Enclosures

Include an explanation if any of these apply:

- Line 1 does not equal your federal adjusted gross income from line 1 of Form M1
- You did not report any income on lines 1-6
- You received a recalculation of your prior year's taxes based on current year's classification

Enclose the appropriate worksheet(s) from pages 12 and 13 if you:

- Claimed a deduction on your federal income tax return for using a portion of your home for business or renting out part of your home to others. (Worksheet 2).
- Are applying for the special property tax refund and your Statement of Property Taxes Payable in 2027 lists an amount for new improvements or expired exclusions (Worksheet 3).
- Include someone else's income on line 14 (Worksheet 5).

Your refund will be delayed or denied if you do not include the required explanation or enclosure.
Do not include any enclosures that are less than three-fourths of a sheet of paper. Make a copy of each enclosure on a full sheet of paper and include with your return. Save copies of all forms, schedules, CRPs, worksheets, and any required enclosures for your records.

Line Instructions (cont.)

Penalties

If you file a fraudulent return, we will assess a penalty equal to 50% of the fraudulent refund. You may also be subject to criminal penalties.

Interest

We must pay interest on any refunds not issued within the later of 60 days after you file for your refund or September 30.

If You Owe a Debt to a Government Entity or Qualifying Hospital

We will apply your refund to the amount you owe, including penalty and interest. If you participate in the Senior Citizens Property Tax Deferral Program, we will apply it to your deferred property tax total. If your debt is less than your refund, you will receive the difference.

Other Property Tax Programs

Senior Citizens' Property Tax Deferral Program

The Senior Citizens' Property Tax Deferral Program may allow you to defer a portion of your homestead property taxes and any special assessments.

If you are eligible and wish to participate in the program, you would pay no more than 3% of your household income (as stated on line 7 of the return) toward your property taxes on your homestead each year. The state will loan you the remaining amount—the deferred tax—and will pay it directly to your county.

You must pay the deferred tax plus interest back to the state. If you are due a property tax refund or state income tax refund, we will apply it to your deferred property tax total and notify you when this happens.

If you participate, we will place a tax lien on your property. You or your heirs will need to repay the deferred amount before you can transfer title of the property.

Eligibility Requirements

To participate in the program, **all** of these must apply:

- You are at least 65. If you're married, one spouse must be at least age 65 and the other spouse at least 62.
- Your total household income must be $96,000 or less.
- You, or your spouse if you are married, must have owned and occupied your homestead for the last 5 years. The homestead can be classified as residential or agricultural, or it may be part of a multi-unit building.
- There are no state or federal tax liens or judgment liens on your property.
- The total unpaid balance of debts secured by mortgages and other liens against your property does not exceed 75% of the assessor's estimated market value of your homestead.

If you qualify and wish to participate, you must apply by November 1 to defer a portion of your property taxes for 2028. Use Form CR-SCD, *Property Tax Deferral Application for Senior Citizens*, available at www.revenue.state.mn.us or your county auditor's office.

For questions about this program, call 651-556-4803.

Special Homestead Classification for Certain Persons who are Blind or Disabled

The Special Homestead Classification (class 1b) provides a reduced property tax classification rate on the first $50,000 of market value of a qualifying person's homestead.

Eligibility Requirements

To receive the special classification on the qualifying person's homestead, you must apply to your county assessor by October 1 for taxes payable the next year.

For this property tax classification, a qualifying individual is generally someone who is blind or permanently and totally disabled with:

Blind: A person is considered blind if an eye doctor has determined their visual acuity does not exceed 20/200 or their field of vision is not more than 20 degrees.

Disabled: A person is considered permanently and totally disabled if they have a condition that is considered permanent in nature and totally prevents them from working. They must also receive payments from a qualifying agency because of their disability.

For more information, go to **www.revenue.state.mn.us** and enter **Class 1b** into the Search box or contact your county assessor.

Instructions

Complete this worksheet only if you are a homeowner and had another individual living with you who is not your:

- Tenant
- Dependent, as defined under Internal Revenue Code sections 151 and 152
- Parent or spouse's parent (unless that individual is a co-owner of the house and lives with you)
- Spouse, if filing Form M1PR separately

Steps 1-5

Refer to the instructions for lines 1 through 4 and 6 in the Form M1PR instructions to complete these steps.

If the co-occupant lived with you for part of the year, only include the income they received for the time they lived with you.

Step 7

Use the instructions for line 8 of Form M1PR to determine if your co-occupant qualifies for the subtraction. If they qualified and lived with you for the full year, enter $5,300. If they qualified and they lived with you for part of the year, multiply $442. ($5,300/12) by the number of months they lived with you. Do not enter more than $5,300.

Step 8

Use the instructions for line 9 of Form M1PR to determine the subtraction for your co-occupant's dependents. If they lived with you for only part of the year, divide the subtraction amount by 12. Then multiply the result by the number of months they lived with you.

Step 13

Enter the amount from step 13 on line 5 of your Form M1PR. If the result is negative, enter as a negative amount.

Include copies of any completed worksheets when you file your Form M1PR.
