

Save Receipts For Your Child's Education Expenses

If you're buying school supplies for your children in kindergarten through 12th grade, you may qualify for one or both of these tax relief programs:

- K-12 Education Subtraction
- K-12 Education Credit

Save your receipts, because both programs can help lower your taxes and may provide a larger refund when filing your Minnesota income tax return.

As a Tribal member, you may qualify for the K-12 credit and receive a refund, even if Minnesota does not tax you on your income because you live and work on your home reservation.

Common Expenses That Qualify:

- School supplies (pencils, paper, calculators)
- Educational computer hardware and software
- Tutoring K-12 curriculum by a qualified instructor
- Rental or purchase of musical instruments used during school

Expenses That Do Not Qualify:

- School supplies not used in education (backpacks, tissues, organizers)
- Clothing, including school uniforms (except required gym clothes)
- School lunches
- Family trip to museum or zoo

Do I qualify?

To qualify for either the credit or subtraction, both of these must be true:

- You purchased educational services or materials to assist with your child's education
- Your child is attending kindergarten through 12th grade at a public, private, or home school
